#### PART A:

*The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year*

The College underwent the Accreditation process in the month of August 2005 and received the B++ grade from the National Assessment and Accreditation Council, Bangalore. The IQAC decided to initiate the quality enhancement and quality sustenance activities during the current academic year, in addition to its normal academic and research activities. The Alagappa University, Karaikudi, has revamped the syllabus of all the U.G&PG Courses in the year 2010-11. The latest semester pattern of syllabi incorporates local requirements and intends to generate the scope of employability of students and foster global competencies among the students. The present syllabi being part of UGC module Curriculum will enable the students to be successful at the national level competitive examinations. Seminars are periodically conducted to make the student to get well versed in communication skills and to express confidently in their future endeavors. Greater contact with experts from various fields through guest lectures, seminars. The conference hall and Department of Zoology are fitted with LCD projectors, computers and laptops. It has further fulfilled the recommendations of the NAAC committee 5<sup>th</sup> March 2005) by providing improved laboratory facilities for the departments of Physics, Chemistry with necessary scientific equipments and modules

1. Strengthening the services offered by the career counseling centre.
2. Improvement in sport facilities.
3. To introduce interdisciplinary papers both in UG and PG curriculum.
4. To motivate the departments to organize seminars / workshops / conferences sponsored by various funding agencies.

5. To motivate staff members to apply for major or minor research projects.
6. To motivate departments to sign MOU.
7. To motivate the departments to organize Extension Activities.
8. To update the skill of the Non-teaching staff.
9. To enroll more staff members for Inflibnet.

## **SECTION B**

### **1. Activities reflecting the goals and objectives of the institution**

Our mission is to be a leading aided institution of higher learning that expands its horizons and knowledge through research and teaching. We develop among its faculty, students and staff skills and cultivate primp led thought and wisdom. To fulfill only mission, our college strives undauntedly for quality, innovation and continuous improvement.

- Eradication of illiteracy
- Eradication of poverty and unemployment through educational attainments
- Upliftment of socially and economically suppressed
- Education to all irrespective of caste, community and religion, Communal harmony through education
- At least, one graduate in every home
- Higher education at low cost
- Vocational training along with regular academic programmes.
- Enhancing careers & enriching lives through education
- Empowerment & entrepreneurship.
- To mould the character of students towards morally upright and decent behaviour needed for a good citizen as a human being with commitment to ethics and social justice.

### **Our persuasion is in the following goals:**

- ✓ Maintenance of discipline.

- ✓ Conduct of coaching classes for UGC-CSIR NET and UPSC Civil Services preliminary examinations.
- ✓ Engaging students in extension activities in nearby schools and villages.
- ✓ Provision of suitable environment for learning and research.
- ✓ Development of self-confidence in students through skill based activities.
- ✓ Increase employability of students by offering Job-Oriented courses.
- ✓ Encouraging students and staff members to attend seminars, workshops, orientation courses and refresher courses.
- ✓ Up gradation of college library with e-books
- ✓ Adding new and modern equipments in laboratories and instrumentation
- ✓ Conduct of Inter departmental and Inter collegiate competitions for students.
- ✓ Inviting resource persons for delivering guest lectures.
- ✓ Monitoring the progress of students through tutorial scheme.

- ✓ Creating social awareness through extension activities.
- ✓ Involving students in the conduct of seminars, workshop and guest lectures.
- ✓ Entering into MOU with interested companies and Institutes.
- ✓ Enhancing the capability of students in problem solving skills

## **2. New academic Programmes initiated (UG and PG)**

1. In April 2012 the four departments of our college, Mathematics, Commerce, English, Business Administration have been upgraded as research departments

2. The Commission constituted by the Alagappa university has visited and inspected on 8.5.2012 to introduce M.A., English and M.Phil .in Commerce.

### **3. Activities reflecting the goals and objectives of the institution**

The three intertwined goals of the College are:

1. Academic Excellence
2. Social concern
3. Character formation

### **4. Innovations in Curricular Design and Transaction**

As per the guide lines of UGC, the University pattern of CBCS (Choice Based Credit System) is followed. The periodical up gradation of syllabi is carried out in the University and is also followed in the College. Value based education, Environmental education, soft skills development are key parts of Syllabi at UG and PG levels.

1. Catering to local needs while framing curriculum by introducing papers like Mushroom culture, Medicinal plants and biofertilizers in UG Botany.
2. Provision for horizontal and vertical movement under CBCS for PG students in elective papers.
3. Inclusion of project and viva voce as a mandatory component and -viva voce in PG Programmes.
4. Inclusion of skill based subjects as an extra mandatory paper
5. Organizing field trips and study tours to give practical learning experiences.
6. Using Virtual learning materials and e-books in learning.
7. Inclusion of papers with tests of research potential such as Statistical Package for Social Science
8. Introduction of papers such as Health Economics, Financial Economics and Developmental issues in India in M.A. Economics course.
9. Introduction of papers on E-Commerce, Information technology, financial markets, Insurance services and Services marketing.

## **5. Inter disciplinary Programmes**

For UG students Skill based Elective courses and Non-Major Elective courses and for PG students some Elective courses offered lead to Inter disciplinary programme awareness among students

∴

## **6.Examination reforms implemented**

The college is directed to follow the schedule of examinations chalked out by Calcutta University. Instead of the stipulated number of periodical tests and selection tests held till 2008, a new system of mid-term and annual tests, held before each university examination, has been implemented

Marks for internal and external examinations are 25% and 75% for theory papers and 40 % and 50% for practical papers.

The components for internal evaluation are:

P.G: Test, Quiz, Assignment and Seminar

U.G: Test, Quiz, Assignment

Colloquium for M.Phil and Ph.D scholars is conducted to improve the quality of research

## **7. Candidates qualified: NET/SLET/GATE etc.:**

Though none of the ex-students qualified in the above mentioned examinations during the last session, some of them are performing well for ensuing examination.

## **8. Initiative towards Faculty Development Programme**
