PRINCIPAL

ANNUAL REPORT FOR THE YEAR 2020-2021

Respected and revered President of our College Governing Body respected and friendly Secretary of our college Governing Body, respected Secretary of Arumugam Pillai Seethai Ammal College of Education, and the Correspondent of Arumugam Pillai Seethai Ammal Mat. Hr. Sec. School, respected Guests, distinguished Invitees, dear Learned Colleagues, dear Non-teaching Staff & my dear loving children-Students.

I take honour and privilege of according a warm welcome to all of you on the occasion of the 56th Founder's Day.

With a view to promote the Educational attainment in this Backward District and to alleviate the unemployment problem due to illiteracy, Arulmamani Thiru.N.T.S.ARUMUGAM PILLAI started this temple of learning in the year 1965, by pooling his hard earned money in the foreign soil.

His philanthropic foresight has brought out this First Grade College, offering 12 undergraduate courses in Mathematics, Physics, Chemistry, Zoology, Computer Science, Information Technology, Economics, History, English Literature, Business Administration, Commerce, Physical education, 4 Post Graduate courses in Economics, English, Commerce & Mathematics, 3 M.Phil courses in Economics, English, Commerce, Ph.D in Economics, Commerce, Business Administration and English, Diploma Courses in Personnel Management & Industrial Relations, Office Management and Certificate courses in Spoken English.

Our management has started Arumugam Pillai Seethai Ammal College of Education by offering B.Ed.,

program from 2006-2007. The dream of our Founder to provide higher education to the needy people has been successfully completed by our former President Thiru.N.A.R.Nagarajan. The dream of providing opportunities to do professional courses has been successfully fulfilled by the sons of Thiru.N.A.R.Nagarajan, by starting Arumugam Pillai Seethai Ammal College of Education.

Gesture of Gratitude

I would like to express my profound gratitude to our college Management, our Respected President Dato.N.VasanthaRajan, our beloved Secretary Thiru.N.Arumugarajan and our beloved Secretary – Arumugam Pillai Seethai Ammal College of Education, Thiru.N.Rameswaran for the timely and valuable suggestions so that, I could steer the college in the right path and the right direction. I am grateful for the untiring service and the co-operation extended to me by our teaching and non-teaching staff. I have to thank my loving children – students who are my strength and power.

I am also very glad to inform that the Economics Department of our college has been upgraded as a Research Department from 2006-2007. The Departments of English, Mathematics, Commerce & Business Administration have also been upgraded as Research Department from 2012-2013. The college is registering a steady and continuous growth year by year. This achievement is made possible by the unstinted efforts of our revered Founder and his illustrious sons and grandsons.

STUDENTS’ STRENGTH

Even though arts and science colleges in the surrounding area have registered a decline in students’ strength due to the arrival of several professional colleges, the strength in our colleges is always on the increase because of the quality of teaching of our untiring and elite staff aided by campus discipline. This year, we have **2260 students of which 1393 are girls and 867 are boys.**

IQAC

Ever since of the inception of IQAC in the college, the cell plays a vital role in Quality Sustenance and Quality enhancement of the college. IQAC creates a system for consistent and catalytic improvement on the performance of institutions by making significant and meaningful contribution in the post-accreditation phase of institutions. IQAC channelizes the efforts and measures of an institution towards academic excellence during the accreditation. Our college has been accredited with B+ grade by National Assessment and Accreditation Council in the third cycle with 2.51 CGPA under the revised assessment framework.

NATIONAL WEBINAR

IQAC has conducted a National Webinar on “Digital Environment” from 13.07.2020 to 16.07.2020 through the zoom platform. First day was enriched with the topic “Prospects of Digital Learning” by the speaker Dr. E.Ramganesh, Bharathidhasan University, Trichy, Topic of the Second day was OER-Learning from Home, session by Dr.S.Senthilnathan, Bharathidhasan University, Trichy, Web Tools for Digital Eco System was the nourishment of the third day audience given by Dr.R.Ramnath, Alagappa University, Karaikudi and the ending day of the webinar was E Learning in Indian Perspective and Keeping the Doors of Higher Education Learning open . Mr.Saleem Ahmed, Assistant Professor, Bharath University, Chennai and Dr.Anthony Samson, Assistant Professor, GVT College for Women, Mandya, Karnataka mastered the session. The webinar was completely useful and beneficial for the present situation.

AWARENESS PROGRAMME FOR FIRST TIME VOTERS

An awareness programme for the first time voters had been organised for the students as the first duty of knowing the importance of voting which is the justice for the freedom fighters of our nation. Thiru Madhusudhan Reddy, I.A.S, District Collector, Sivagangai delivered the special address.

Invited Lecture:

Department of Physics organized the invited lecture on 12.03.2021. Dr.N.S.Saravanan HoD of Physics and Dr.K.R.Jeyakumar principal gave the welcome address and presidential address respectively. Dr.A.Susaimanikam vice principal gave the felicitation address.

The chief guest Tmt.N.Sudharani Legal and Panel advocate delivered a talk on fundamental rights and duties. She pointed out the importance fundamental rights and duties. Eight faculty members and 140 students participated in this program.

EXTENSION ACTIVITIES REPORT - Academic year 20 – 21.

Due to pandemic period, II year Physics students of Arumugam Pillai Seethai Ammal College are distributed into six groups visited different schools such as Government Higher secondary School, Kottaiyeruppu, Tiruppattur, Vallal Paari higher secondary school, Piranmalai, Sri Thandayathupani School, Kandramanickam, A.P.S.A. Govt Hr sec. School, Tiruppattur, Dharumai Kailai Gurumani Hr.Sec School, Kundrakudi and A.P.S.A., Matric Hr.Sec school, Tiruppattur on 30.11.20 & 1.12.20, as Extension Activities in partial fulfillment of the requirements for the award of the degree of Bachelor of Physics.

Green atmosphere tells to how to preserve environment and enhanced health of the environment. How to go green, our students are discussing the importance of eco-friendly products, including supporting practices like smart applications of green energy products and the strategies for green energy maintenance, as well as the advantages with the people. Going green when cleaning can lesser water pollution, air pollution, climate change, and ozone depletion. In addition, the practice of using green products also promotes recycling which can reduce the use of raw materials, thus lessening the need for disposal of toxic products and packing materials. Our students also planted saplings in the school ground to promote awareness among the school students in preserving our environment for a better future life. The species are Neem, Mango etc., are planted in the school ground. The group of students and their related activities are shown below.

Webinar:

Department of Physics organizes National level webinar on Importance of nano structured thin film cathode materials for lithium ion battery applications on 26.02.2020.Resource person Dr.N.Sivakumar Assitant Professor Chikkaiah Naicker College Erode.

Dr.M.Ravikumar and Dr.M.Ramachandran organized a national webinar on Theoretical Physics on 27.06.2020.Resource person Dr.M.Senthilvelan Professor and Head Bharathidasan University Trichy and Dr.P.Selvarengan Associate Professor Kalasalingam University Krishnan Koil.

Dr.N.S.SARAVANAN

ASSOCIATE PROFESSOR& HOD

➤ Ph.D awarded with highly commended.

Date	Topic	University
26.02.2021	Investigations on eco friendly nano composites for photo thermal application	Manomaniam Sundranar University, Tirunelveli

- Acted as member of board of studies in Alagappa university karaikudi.
- Acted as panel of examiner in Tamilnadu public service commission.
- Presented a research paper on “Thermal Efficacy of Nano Composite Coated Heat Transfer and Storage Trays in Solar Green House Dryer” in international seminar (Online) Manonmaniam Sundaranar University from 23/03/2021 to 26/03/2021.

Dr.M.Ravi kumar, Associate Professor of Physics,

Board of studies member

1. Acting as syllabus committee member for the affiliated college of Alagappa university Karaikudi, till Now.

Webinar Organized:

National webinar on Theoretical Physics is organized by our Department of Physics on 27.06.2020. 68 participants were participated from various parts of our country. Dr.M.Ravi kumar acted as Convener for this National level webinar.

1. Attended an International FDP on Frontier in Scientific Research at St. Joseph Institute of Technology, Chennai from 11- 06-2020 to 13-06-2020
2. Attended the National FDP on research capacity building at STRIDE, VOC college, Thoothukudi 15-06-2020 to 17-06-2020
3. Attended the National FDP On Application of Nanoscience conducted by PSCMR COLLEGE Kakinada from 18-06-2020 – 20-06-2020
4. Attended National webinar on Importance of nano structured thin film cathode materials for Lithium ion battery applications conducted by Dept of Physics, A.P.S.A.College, Tiruppattur on 26-06-2020.
5. Attended an International virtual conference on Recent trends in Advanced Material science on St Mary's college Thoothukudi on 17-06-2020
6. Attended a National virtual seminar on TEM and sample preparation conducted by Dept of Physics, Madurai – Kamara j university Madurai on 30-06-2020
7. Attended an International virtual conference on Modern Instrumental and Characterization Techniques in Applied Sciences-2020 conducted by MIET Kumaon Haldwani & Department of Chemistry, H.N.B. Govt. P. G. College, Khatima, and Uttarakhand on 5-6 July, 2020.
8. Attended the National conference on Conference on Synthesis and Characterization of Novel Materials organized by Muthurangam Govt.Arts college-Vellore 632002 from 6 to 7th July 2020.
9. Attended the National seminar on Nanostructured Metal oxide thin film for Sensor Technology conducted by Saveetha Engineering College Chennai on 16th July 2020.
10. Attended the National seminar on Advancement in Applied Chemistry organized by St Joseph College of Engineering, Chennai from 6 to 8th July 2020.
11. Attended the National Webinar on Nanoscale Nonlinear Optics conducted by Vellore Institute of Technology, Chennai on 7th July 2020.
12. Attended national seminar on Creating Android Apps conducted by Universal Teacher Academy Puducherry From 16-20th July 2020.

13. Attended a National seminar on Emerging Technologies and Changing Scenario on Material Research conducted by Santhiram Engineering College, Nandyal on 27th July 2020.

Dr. S. MARIKKANNU

- ❖ Has participated Short Term Course – UGC Sponsored Online Leadership Development Programme for Senior Level Teachers organized by UGC- HRDC, Bharthidarsan University during 10.02.2021 – 16.02.2021
- ❖ Has participated in the Webinar on Graphene based Nanocomposites for Energy Storage organized by Department of Physics, V.O.Chidambaram College on 01.06.2020
- ❖ Has participated in the National Webinar on Molecular Architecture and Landscape through Spectroscopy: Introductory Lectures organized by Department of Chemistry, Stella Maris College in collaboration with the Department of Chemistry, IIT Madras during 04.06.20 to 06.06.20
- ❖ Has participated in the Webinar on Grid Integration of Renewable Energy Challenges and opportunities organized by Department of Electrical and Electronics Engineering, RVS College of Engineering and Technology, Coimbatore on 09.06.2020
- ❖ Has participated in the Webinar Recent Trends in Biotechnology organized by Department of Zoology, Arumugam Pillai Seethai Ammal College, Tiruppattur on 15.06.2020
- ❖ Has participated in the Webinar Importance of nano structured thin film cathode materials for Lithium ion battery application organized by Department of Physics, Arumugam Pillai Seethai Ammal College, Tiruppattur on 26.06.2020

- ❖ Has participated in the National Webinar Theoretical Physics organized by Department of Physics, Arumugam Pillai Seethai Ammal College, Tiruppattur on 27.06.2020

Dr.Y.B.Kannan,

Asst. Prof., Dept. of Physics.

Virtual Webinar/Quiz organized

- Conducted a national webinar on "Importance of nanostructured thin film cathode materials for lithium-ion battery applications on 26-06-2020 at 11.00am.
Resource person is Dr.N.Sivakumar, Asst.Prof. Dept. of Physics, Chikkaiah Naicker College, Erode, Tamilnadu.
Number of participants: 100 (from all parts of the country)
Convener: Dr.Y.B.Kannan.
- Conducted a E-Quiz (Online – open to all students) “Quantum theory of radiation” through Google Form from 8-Jun-20 to 12-Jun-20.
Number of participants: 72 (from all parts of the country)
Convener: Dr.Y.B.Kannan.

Paper Presentation in National web conference:

- Presented a Paper “Effect of low sintering temperature on $\text{Ni}_{0.5}\text{Zn}_{0.5}\text{Fe}_2\text{O}_4$ nano ferrite particles” in the virtual conference Synthesis and Characterization of Novel Materials, 6-7 July 2020, organized by PG & Research Department of Physics, Muthurangam Govt.Arts College, Vellore - 632 002, Tamil nadu.

Online course participation:

- Participated in the Two Week Capacity Building Programme for faculty members and research scholars organized by Alagappa university under the sponsorship of UGC stride component – I scheme from 12th to 23rd June 2020.
- Attended TWO WEEK ONLINE FACULTY DEVELOPMENT PROGRAMME ON "ADVANCED CONCEPTS FOR DEVELOPING MOOCS" from 2nd – 17th July 2020, Organized by Teaching Learning Centre and Research development and Services cell, Ramanujan college (Univ. of Delhi).
- Attended “International virtual conference on Recent trends in Energy Materials (INCRTEM – 2020)” organized by Department of Physics, Alagappa University, Karaikudi from 9-11th Sep.2020.
- Attended a one week short term course on “Current trends on Condensed Matter Physics” organized by the Department of Physics, Dr.B.R.Ambedkar National Institute of Technology, Jalandhar from 25th - 29th Sep.2020.

Dr.M.Ramachandran, Assistant Professor of Physics,

Paper publication

1. Paper published on Physical and electrochemical chatters of phosphonium ionic liquid-based solid and gel-polymer electrolyte for lithium secondary batteries, Materials Science: Materials in Electronics, 2020, 31(24), 22933-22944. (I.F-2.220)

Invited talk:

1. Delivered an invited talk on Introduction of Nanoscience and Nanotechnology – Department of Physics, C.P.A. College, Bodinayakanur on 05.03.2021.

Board of studies member

2. Acted as subject expert committee member at Vivekananda College, Tiruvedagam west, Madurai on 20.02.21.

Book Material:

1. Writing a book material on Fundamental of Molecular spectroscopy, II M.Sc., Phy DDE, Alagappa University, Karaikudi.

Webinar Organized:

National webinar on Theoretical Physics is organized by our Department of Physics on 27.06.2020. 68 participants were participated from various parts of our country. Dr.M.Ramachandran is acted as organizing secretary of this event.

Acted as Organizing committee member on Importance of nano structured thin film cathode materials for Lithium ion battery applications, Dept of Physics, A.P.S.A.College, Tiruppattur on 26.06.2020.

Swayam online course completed:

Successfully completed the four-credit course Academic Writing with a consolidated score of 84% during September 2020.

FDP completed:

Successfully completed the Managing Online classes and co-creating MOOCs 3.0 organized by Teaching learning center, Ramanujan College, University of Delhi with A+ grade during 25.07.2020 to 10.08. 2020

Webinar attended:

1. Participated the Online National level Faculty development programme on Radiation and Environmental Radioactivity, organized by CSI College of Eng, Ketti, Ooty during 03-06-2020- 05-06-2020.
 2. Participated the FDP on Materials: Recent trends & Engineering applications, organized by Gokaraju Rangaraju Institute of Eng and Tech during 02-06-2020- 07-06-2020.
 3. Participated on Chemistry in our day-to day life organized by DBT star college schemes, PG & Research Dept of chemistry, Jamal Mohamed College, Tiruchirappalli during 04-06-2020 08-06-2020.
 4. Participated the Webinar on Century of Quantum mechanics & still going strong organized by Applied Physics dept, The Maharaj sayajirao university, Baroda during 15-06-2020 -17-06-2020.
 5. Participated on Advanced Materials Research BIET during 15-06-2020 -19-06-2020.
 6. Participated on Materials Technology and research perspectives in Physics organized by The American college, Madurai on 19-06-2020.
 7. Participated on Advanced materials for Biomedical energy and environmental applications organized by PSG College of Arts and science, Coimbatore on 16-06-2020.
 8. Participated on Virtual symposium on multi functional materials organized by SRM Institute of science and Tech, Chennai on 17.06.2020.
 9. Participated on Powder X-ray diffraction patterns analysis using openwares organized by PG Dept of Physics, V.O.C. College, Tuticorin on 22.06.2020.
 10. Participated on An overview on characterization techniques of crystal growth organized by Dept of Physics, Easwari Eng. College, Chennai on 23.06.2020.
- Participated on Online lectures in solid state Physics- Series I Electron in solids, organized by Dept of theoretical Physics, University of Madras, Chennai during 26-05-2020 -30-05-2020.

Dr.R.PREMARANI

- ❖ Attended one week workshop on materials Technology Advancement in Current Scenario – MTACS2020 organized by Department of Physics, Sathyabama Institute of Science and Technology, Chennai through Zoom Video Communications from 4th to 10th July 2020.
- ❖ Participated in the one day international webinar on basic science behind MRI – contrast agents organized by department of chemistry, Saranathan college of Engineering, Trichy on 13.07.2020

- ❖ Participated in Two days International webinar on Materials for Current Trends and Future Challenges (MCTFC 20) held from 14-15 July2020, Govt. Arts College for women, Salem-8.
- ❖ Participated in the National webinar on Knowledge updation in multifunctional materials organized by the Department of Physics, Lekshmipuram College of Arts and Science Neyyoor on 16.7.2020
- ❖ Participated in the National webinar on Greening the Red planet organized by the Department of Physics and IQAC, Aditanar College of Arts and Science, Tiruchendur held on 17.7.2020
- ❖ Participated in the webinar on Room temperature multi – ferroics through Nano and Bulk materials organized by the Department of Physics, SA Engineering College, Chennai held on20.7.2020
- ❖ Participated webinar on Lasers Basics and material processing Applications organized by Department of Science and Humanities, Kumaraguru College of Technology Coimbatore Conducted on 21.7.2020.
- ❖ Attended on international webinar on development of Ultrahigh temperature materials for Hypersonic Applications organized by Department of Physics, SRM Institute of Science and Technology Ramapuram campus, Chennai on 23.7.2020.
- ❖ Participated in State level webinar series Day 3 on the topic Application of IR spectroscopy to metallic carbonyls on 24.7.2020, Anna Adarsh College for women, Chennai.
- ❖ Participated in National level webinar on Terahertz Generation studies of NLO Crystals, organized by Department of Physics and research centre and IQAC, Nesamony Memorial Christian College, Marthandam on 25.7.2020
- ❖ Participated in UGC-HRDC Sponsored online refresher course in NanoScience Interdisciplinary organized by UGC-HRDC - Academic Staff College, Bharathidasan University, Tiruchirappalli from 25.11.2020 to 08.12.2020

RESEARCH ACTIVITIES:

1. Mrs.G.Pandimuthu, Assistant Professor is pursuing her Ph.D. at Periyar University, Salem.
2. Mr. A. Balasundaram, Assistant Professor, has been awarded Ph.D. by Alagappa University, Karaikudi.
3. Dr. M. Ilayaraja, Assistant Professor, has been recognised as Research Supervisor at AlagappaUniversity, Karaikudi.

REFRESHER COURSE:

1. Dr.A.Susai Manickam had enrolled and finished successfully the Online MOOCs e- Content development and open educational Resources at Jawaharlal technical University, Hyderabad from 13- 07-2020

to 18-07-2020.

2. Dr.K.Paramasivaganesh had enrolled and finished successfully the Online Comprehensive e-learning to e-training guide for administrative work at Ramanujan College, University of Delhi from 25-05-2020 to 05-06-2020.

3.Dr.K.Paramasivaganesh had enrolled and finished successfully the Online MOOCs & E-Content development at Jawaharlal Nehru University, Delhi from 24-08-2020 to 29-08-2020.

4. Dr.K.Paramasivaganesh had enrolled and finished successfully the Online Pedagogy and Research methods at AMET Deemed to be university, Chennai from 18-05-2020 to 03-06-2020.

5.Dr.RM.Ganesan had participated and finished the Two-week online Faculty development Programme on “Managing Online classes and Co-creating MOOCs2.0” at Ramanujan College, University of Delhi from 18-05-2020 to 03-06-2020.

6. Mr. A.Balasundaram had enrolled and finished successfully the MOOCs & E-Content development at Jawaharlal Nehru University, Delhi from 24-08-2020 to 29-08-2020.

7. Mrs. G.Pandimuthu, had participated and finished the Two-week online Faculty development Programme on “Managing Online classes and Co-creating MOOCs2.0” at Ramanujan College, University of Delhi from 18-05-2020 to 03-06-2020.

8. Dr.M.Ilayaraja, had participated and Completed the Two-week online Refresher Course on” Research methodology tools and Techniques” at Mizoram University, Mizoram, from 07-07-2020 to 20-07-2020.

9. Dr.M.Ilayaraja, had participated and finished the Two-week online Faculty development Programme on “Managing Online classes and Co-creating MOOCs2.0” at Ramanujan College, University of Delhi from 18-05-2020 to 03-06-2020.

Mrs.G.Pandimuthu, Assistant professor, Department of chemistry Participated in a National Conference on Chemistry, Biology of virus, Bacteria & Parasites held at Dr.Zahir Hussain College, Ilayangudi on 19-07-2020.

Mrs.G.Pandimuthu, Assistant professor, Department of chemistry Participated in a National Conference on Cyber security & Ethical Hacking, held at APSA College, Tiruppattur, on 28-06-2020

ENDEAVOUR OF STAFF:

Dr.A.Susaimanickam-

Acted as Chair person in the Board of Studies in
Alagappa University, Karaikudi.

The students of the department of chemistry have planted various saplings in their villages on (13.12.2020) under extension activity programme. In this programme, they had created awareness on environment and uses of the tree they planted to the people of the location in which the planted the trees.

DEPARTMENT OF ZOOLOGY

ANNUAL REPORT-2020-2021

Department of Zoology has implemented the following programs during the academic year 2020-2021.

EXTENSION ACTIVITIES:

Second B.Sc. Zoology students have implemented extension activities in Villages of Sivagangai District on 30.11.2020, 1.12.2020, 14.12.2020 and 15.12.2020. They have cleaned the school campus, planting trees; village pond desilting; uprooted and destroyed the weeds and bushes in water feeder channels, these activities come under Mahatma Gandhi Rural Employment Guarantee schemes. Their service is helpful to maintain the environment clean.

DR.SALIM ALI NATURE CLUB:

BIRD CENSUS:

On request of Forest Department, Govt. of Tamil Nadu, members of Dr.Salim Ali Nature Club viz. 42 students and faculty members of B.Sc. Zoology along with forest officials have done Bird Census at Vettangudi Bird Sanctuary on 17.02.2021 and 18.02.2021 They identified different species of local and migratory birds and their relative population.

WEBINAR'S/WORKSHOP

1. Organized National Webinar on "Recent Trends in Biotechnology" on 15.06.2020.
2. Organized International Webinar series from 24.06.2020 to 27.06.2020 on the following topics.
 - A. Quorum Sensing: A great therapeutic choice for the development of antimicrobial agents on 24.06.2020.
 - B. Novel alternative treatment strategy for combating the antibiotic resistance in bacterial pathogens on 25.06.2020.
 - C. The Environment Post. COVID: Mirage or Hope? on 26.06.2020.
 - D. Overview of Emerging Infectious diseases and its control measures on 27.06.2020.
3. Organized Workshop on "Preservation of Zoological Specimens-2021" between 02.03.2021 and 04.03.2021.

STAFF PERFORMANCE:

FDP/ Short Term Course /Refresher Course attended:

Two faculty members have completed FDP, Short term Course and Refresher course as per the details given below.

REFRESHER COURSE

1. Dr. N.Vijayanand has successfully completed Online Refresher Course in Botany (Batch XIII) organized by UGC-HRDC Madras University, Chennai from 07.10.2020 To 20.10.2020.

WEBINAR ORGANIZED:

Department of Botany organized a one-day national webinar on “PostCovid-19- A paradigm shift towards online learning” on 22.06.2020. Dr. (Capt.) KR.Jeyakumar presided over the webinar by giving the presidential address to the participants. Dr.N.Vijayanand, Assistant Professor of Botany welcomed the participants. Dr. Y.B. Kannan, Assistant Professor of Physics, Dr.M.Ramachandran, Assistant Professor of

Physics and Dr. R. Kalidoss, Co-convener, Assistant Professor of Commerce acted as Co-conveners for this webinar. Zoom Platform was used for this webinar. In the present covid -19 pandemic situations, higher educational institutes as well as the students are facing a massive problem in face-to-face learning. Educational institutes are now facing this problem as well as they have to look for an alternate way in order to sustain the learning practices. In this context, institutes are now moving to online learning. Some higher educational institutes have adapted to online learning platform. But majority of the students are still unaware of various tools and techniques for digital learning. In these aspects, department has chosen this topic to make the students to expose to various easy and important tools in digital environment. Dr. G.V. Gopinath, Assistant Professor of Zoology, Arumugam Pillai Seethai Ammal College, was the resource person. He gave a bird eye view on various freely available tools and techniques such as google translator, google docs, tamil typing, e- resources, research websites, audiobook websites, how to download e-resources, creation short learning objects and different online platforms. He focused mainly on Google Classroom and SWAYAM (Study Web of Active Young Aspiring Minds) because these two are going to play a vital role in digital learning. SWAYAM, a MOOC platform is going to become mandatory for all the students. So, resource person explained about the advantages and enrollment procedure for SWAYAM. He also threw a glimpse on other learning platform such as NPTEL, EdX, Coursera, Udemy etc., Through this webinar, students got exposed to new tools and techniques to adapt to digital learning. In this webinar, 416 participants registered from various part of the country. Among the 416 participants, 122 participants actively participated in the webinar. In this webinar, 59 undergraduate students, 29 post graduate students, 31 faculty members and 9 research scholars participated. Research scholars and faculty members from reputed institutes such as Botanical Survey of India, Lucknow, IGNOU, New Delhi etc., participated in the webinar which exhibits the reach of this webinar. Technical support was given by Mrs. A. Nirmala, Assistant Professor of Vocational education. Finally, Dr. R. Kalidoss, Co-convener, Assistant Professor of Commerce proposed vote of thanks.

ROAD SAFETY PROGRAM - PASTING REFLECTIVE STICKER

In commemoration of Road Safety Week, Department of Botany, Red Ribbon Club and Youth Red Cross jointly organized on Road safety program on 23.01.2021 in and around Thiruppathur. Dr. (Capt). KR. Jeyakumar inaugurated the function. Road safety is something important that has to be followed at all times to ensure the safety of the operators of a vehicle, passengers, and pedestrians. In our area, every year, thousands of pilgrims go by walk to the Palani Temple during January to March. Sometimes during night time, they come across accidents due to heavy vehicles passing by. It is evident that most of the accidents occur during night time and early morning hours. Sometimes, presence of dew in early morning hours is also vulnerable factor for road accidents. In order to avoid such type of accidents, reflective stickers were pasted in the bags, dresses or any materials in which they carry. Reflective stickers reflect the light from heavy vehicles which makes the driver of the vehicles to get noticed. Dr. Y.B. Kannan, Red Ribbon Club coordinator and Assistant Professor of Physics and Mr. N. Sekar, Youth Red Cross Co-ordinator and Assistant Professor of Maths and Dr. N. Vijayanand, Assistant Professor of Botany organized the event. 25 students actively participated in the program.

OUTREACH ACTIVITY – COVID AND DENGUE AWARENESS PROGRAM

In 2020, Covid-19 novel SARS Co-2 virus outbreak shook the entire nation in respect to health, financial, education, business, etc., to downturn level. Everyday thousands of people were affected in all parts of the country. Death rate was also alarming increasingly because of unpredictable asymptomatic conditions. Due to low immunity, people face death because virulence of Coronavirus. In this situation, there was an urgent need for the health professional to discover suitable medications in order to control the spread of Coronavirus. In parallel, Dengue Fever, an epidemic disease was also witnessed by the people. Aedes mosquitoes which are root cause of this fever spreads from one person to person. Vulnerable condition of this fever is stagnation of water in

and around the areas. Mainly stagnation of water occurs in the houses when household liquid wastes are not properly disposed. This condition becomes a suitable environment for the mosquitoes to breed their larva.

In these aspects, Red Ribbon Club and Department of Botany organized an Awareness Program on Covid 19 and Dengue Fever to the public people of Thirukostiyur (nearby village). Dr. (Capt.) KR. Jeyakumar inaugurated and presided over the function. Dr. N.Vijayanand , Assistant Professor of Botany gave an preliminary talk related to COVID- 19 and Dengue fever. He stressed the peoples to maintain serene and hygienic environment in and around their house and common premises.Red Ribbon Club Coordinator Dr. Y.B. Kannan and Member Dr. M. Illayaraja distributed Kabasura Kudineer, an herbal medicine to the peoples. This herbal medicine is encompassed with 15 herbal ingredients such as Ginger, Mustard, Cloves etc. The ingredients have their individual role in suppressing the growth of viral organisms. This medicine was given in the form of aqueous decoction to the public. Decoctions were given to 345 public peoples. 35 students actively participated in the program.

Webinar on Cyber Security & Ethical Hacking

Date : 28-06-2020 time :11.00 am to 1.30 pm

Introduction :

Department of Information Technology organized a one day national webinar on Cyber Security & Ethical Hacking. Mr. Mr.V.Anantha Krishnan ,Convener & Head of the Department welcomed the participants and introduced the speaker. The department faculty members Mr.PR.Rajesh, Mrs.B.Supathira, Miss.J.Joykiruba acted as an Organizing team members. Zoom Platform and Youtube Live Streaming was used for this webinar.

Objective :

The national lockdown for covid -19 pandemic and the ascending health crisis were striking the education of our students as well, with College and universities being shut and their education stranded, until the industry decided to initiate a revolution instead.The switch to online education has been ensuring that students suffer no loss of studies and their progress is being tracked simultaneously with timely evaluation. In the digital world, all the information cannot be guaranteed to be safe nowadays. Cyber-attacks can happen anytime and anywhere in the industry. There are a lot of hackers that target small and even big businesses – the ones with poor security set up. This webinars help our participants to improve their knowledge in the field of Cybersecurity & Ethical hacking.

Topic / Technology :

Cyber security is the practice of defending computers, servers, mobile devices, electronic systems, networks, and data from malicious attacks. It's also known as information technology security or electronic information security. The purpose of ethical hacking is to evaluate the security and identify vulnerabilities in systems, networks or system infrastructure. It includes finding and attempting to exploit any vulnerabilities to determine whether unauthorized access or other malicious activities are possible.

Highlights of the Topic :

- ❖ Network security
- ❖ Application security
- ❖ Information security
- ❖ Operational security
- ❖ Cybercrime
- ❖ Cyber-attack
- ❖ Cyberterrorism
- ❖ Malware
- ❖ Virus

Desktop publishing software (DTP) is used to create documents like leaflets, brochures and newsletters. Modern word processors have the basic features of DTP software but features such as templates and frames make DTP software better for complex page layouts . Templates – examples to base your own document on.The syllabus was framed by Alagappa University and this subject was taught to B.Sc.IT second year students in this even semester (2019-2020).

Extension is an important activity which contributes to the enhancement of the status and welfare of the society at large. Keeping this view in mind some of the second year B.Com students carried out extension activity on 27th November,2020 at Arumugam Pillai Seethai Ammal Matriculation School, Tiruppattur and on 4th December, 2020 at Arumugam Pillai Government Higher Secondary School with the motto of Tree Plantation. Students have conducted the extension activities with precautionary measures like wear a face cover and keep a safe distance.

After that, all the second year students downloaded the Arogya Setu App on their smart phones and disseminated the need and importance of this app to the village people of his/her own areas. With the effort of our students, users understand whether they are currently exhibiting symptoms associated with covid-19 and this platform can help with self-diagnosis.

Besides, all the second year female students downloaded the Kavalan App on their smart phones to motivate its users of the app among the people of their area. This app will enable users to alert the police immediately during the emergency situations such as sexual assault, Kidnap or eve teasing and natural disasters such as earth Quake or floods.

Our department students teach Mail-id creation, Google Drive, Google Classroom, Google forms, Google meet and MS-Office. Around ten School Head Master attended the workshop in various school.

YOUTH RED CROSS

In the pandemic situation, students were exposed to digital screens for their academic and other activity. There was lot of time for the students in their home to use the electronic gadgets particularly smart phone. Students may be vulnerable to certain eye infections such as corneal abrasions, cornea tear, mask induced dry eye, blurred vision, persistent eye rubbing etc., In particular, prolonged exposure of digital devices can cause computer eye syndrome or digital eye strain to the students. In this connection, we planned to organize eye camp to our students and also to disseminate an awareness regarding eye infections caused due to prolonged usage of electronic devices.

Youth Red Cross of our college and Vasana Eye Care, Managiri, Karaikudi jointly organized one day eye camp in our college on 19.02.2021. Thiru N. Arumugarajan, Secretary of our college inaugurated the camp and Dr. (Capt). KR. Jeyakumar presided and gave felicitation address. Mr. R. Vetrivelan, Kariakudi Branch Manager, Vasana Eye Care and Pitchaikani, Public Relation Officer participated in the programme. Youth Red Cross Convener Mr. N.Sekar and members Dr. M. Illayaraja, Assistant Professor of Chemistry, Dr. M. Lakshimekala, Assistant Professor of Economics, Dr. B. Marisamy, Assistant Professor of Commerce and Dr. M. SatheeshPandian, Assistant Professor of Economics organized the eye camp. 616 first year students actively participated in the programme. AR Vision test and Vision Chart test were checked for all the students by a team of ophthalmologist. Among the 616 students, 108 student's eyes were found to be defective. Students were advised by the team of ophthalmologist and optometrist regarding the preventive measures for eye protection. For defective students, doctors insisted them to have a thorough check up and go for treatment as early as possible in order to prevent the infection spread. Finally, Dr. M. Illayaraja, Assistant Professor of Chemistry proposed Vote of Thanks and finally the programme ended with national anthem.

RED RIBBON CLUB

OUTREACH ACTIVITY – COVID AND DENGUE AWARENESS PROGRAM

In 2020, Covid-19 novel SARs Co-2 virus outbreak shook the entire nation in respect to health, financial, education, business, etc., to downturn level. Everyday thousands of people were affected in all parts of the country. Death rate was also alarming increasingly because of unpredictable asymptomatic conditions. Due to low immunity, people face death because virulence of Coronavirus. In this situation, there was an urgent need for the health professional to discover suitable medications in order to control the spread of Coronavirus.

In parallel, Dengue Fever, an epidemic disease was also witnessed by the people. Aedes mosquitoes which are root cause of this fever spreads from one person to person. Vulnerable condition of this fever is stagnation of water in and around the areas. Mainly stagnation of water occurs in the houses when household liquid wastes are not properly disposed. This condition becomes a suitable environment for the mosquitoes to breed their larva. In these aspects, Red Ribbon Club and Department of Botany organized an Awareness Program on Covid 19 and Dengue Fever to the public people of Thirukostiyur (nearby village).Dr. (Capt.) KR. Jeyakumar inaugurated and presided over the function. Dr. N.Vijayanand , Assistant Professor of Botany gave an preliminary talk related to COVID- 19 and Dengue fever. He stressed the peoples to maintain serene and hygienic environmentin and around their house and common premises. Red Ribbon Club Coordinator Dr. Y.B. Kannan and Member Dr. M. Illayaraja distributed Kabasura Kudineer, an herbal medicine to the peoples. This herbal medicine is encompassed with 15 herbal ingredients such as Ginger, Mustard, Cloves etc. The ingredients have their individual role in suppressing the growth of viral organisms. STUDENTS INDUCTION PROGRAMME

Objectives: The term Induction is generally used to describe the whole process whereby the incumbents adjust to or acclimatize to their new roles and environment. In other words, it is a well-planned event to educate the new entrants about the environment in a particular institution, and connect them with the people in it.

The purpose of the Student Induction Program is to help new students adapt and be comfortable in the new environment, to teach them the ethics and culture of the organization, to develop relationships with other students and faculty members, and to express them in a meaningful way. In that sense it involves better scope and self-examination.

Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty member, and expose them to a sense of larger purpose and self-exploration.
