## ANNUAL REPORT FOR THE YEAR 2021-2022

Respected and revered President of our College Governing Body respected and friendly Secretary of our college Governing Body, respected Secretary of Arumugam Pillai Seethai Ammal College of Education, and the Correspondent of Arumugam Pillai Seethai Ammal Mat. Hr. Sec. School, respected Guests, distinguished Invitees, dear Learned Colleagues, dear Non-teaching Staff & my dear loving children-Students. I take honour and privilege of according a warm welcome to all of you on the occasion of the 57<sup>th</sup> Founder's Day. With a view to promote the Educational attainment in this Backward District and to alleviate the unemployment problem due to illiteracy, Arulmamani Thiru.N.T.S.ARUMUGAM PILLAI started this temple of learning in the year 1965, by pooling his hard earned money in the foreign soil. His philanthropic foresight has brought out this First Grade College, offering 12 undergraduate courses in Mathematics, Physics, Chemistry, Zoology, Computer Science, Information Technology, Economics, History, English Literature, Business Administration, Commerce, Physical education, 4 Post Graduate courses in Economics, English, Commerce & Mathematics, 3 M.Phil courses in Economics, English, Commerce, Ph.D in Economics, Commerce, Business Administration and English, Diploma Courses in Personnel Management & Industrial Relations, Office Management and Certificate courses in Spoken English.

Our management has started Arumugam Pillai Seethai Ammal College of Education by offering B.Ed., program from 2006-2007. The dream of our Founder to provide higher education to the needy people has been successfully completed by our former President Thiru.N.A.R.Nagarajan. The dream of providing opportunities to do professional courses has been successfully fulfilled by the sons of Thiru.N.A.R.Nagarajan, by starting Arumugam Pillai Seethai Ammal College of Education. I would like to express my profound gratitude to our college Management, our Respected President Dato.N.Vasantharajan, our beloved Secretary Thiru.N.Arumugarajan and our beloved Secretary – Arumugam Pillai Seethai Ammal College of Education, Thiru.N.Rameswaran for the timely and valuable suggestions so that, I could steer the college in the right path and the right direction. I am grateful for the untiring service and the co-operation extended to me by our teaching and non-teaching staff. I must thank my loving children – students who are my strength and power. I am also very glad to inform that the Economics Department of our college has been upgraded as a Research Department from 2006-2007. The Departments of English, Mathematics, Commerce & Business Administration have also been upgraded as Research Department from 2012-2013. The college is registering a steady and continuous growth year by year. This achievement is made possible by the unstinted efforts of our revered Founder and his illustrious sons and grandsons.

### STUDENTS' STRENGTH

Even though arts and science colleges in the surrounding area have registered a decline in students' strength due to the arrival of several professional colleges, the strength in our colleges is always on the increase because of the quality of teaching of our untiring and elite staff aided by campus discipline. This year, we have 2316 students of which 1378 are girls and 938 are boys.

#### STAFF

I take pride to mention that our college is equipped with a team of dedicated, talented & well informed aided teaching staff numbering 74, Self-Finance staff numbering 19 and Non-Teaching staff numbering 43 and PTA & Management staff numbering 5. Among the Teaching staff, there are 59 Ph.D, Degree holders. Four departments of our college such as English, Economics, Commerce and Business Administration are recognized as research departments and 15 faculty members are recognized as research guides.

#### RETIRING STAFF

This academic year, Thiru.R.Mariappan, Associate Professor of Commerce was retiring from his service. It is my bounded duty to place it on record, the valuable and un-tired services rendered by them to this temple of learning for more than decades. I feel that their departure will definitely leave a vacuum of talent and rich experience that cannot be refilled at any stage.

#### NEW APPOINTMENT (NON-TEACHING):

During this academic year new appointments have been made in our institution. Tmt.K.Rajakumari, TmtP.Sivamani (Office Assistant) S.Manikandan & A.Alzhakeswari Watchman, G.Suppuraman, M.Saranya, K.Padma Prasanna, S.Ishwarya & K.Manikandan- Sweeper, Pl.KS.Mahendran Moli Water man, V.Manikandan Gardener, B.Sabareeswaran, & Revathy Scavenger, S.Manikandan Marker has also been appointed this year.

## RESULT

Examination result is one of the parameters to measure the success of an educational institution. It also acts as a feed back to improve our teaching methods and gives an impetus to introduce new techniques in the art of teaching and learning.

#### INTERNAL QUALITY ASSURANCE CELL

Ever since of the inception of IQAC in the college, the cell plays a vital role in Quality Sustenance and Quality enhancement of the college. IQAC creates a system for consistent and catalytic improvement on the performance of institutions by making significant and meaningful contribution in the post-accreditation phase of institutions. IQAC channelizes the efforts and measures of an institution towards academic excellence during the accreditation. Our college has been accredited with B+ grade by National Assessment and Accreditation Council in the third cycle with 2.51 CGPA under the revised assessment framework.

#### ADD-ON COURSES:

This year, IQAC suggested all the departments to start Add-on courses as initiative to equip the students with skill orientation. Courses were taken apart from the regular curriculum hours. Courses were selected in such a way that course content were encompassed with essence of skill techniques. All second-year students took the courses, and they were evaluated with certificate.

## **National Seminar Report**

The Department of English organized a national seminar (RNSHENA-2021) on 27<sup>th</sup> and 28<sup>th</sup> of July 2021. The theme of the seminar was Retracing the Narrative of Subalternity: Historical Evolutions and New Applications. The seminar was inaugurated by **Dr. (Capt.)KR. JEYAKUMAR**, Principal. Dr. V. GuruDev Rajan, Head, Department of English, welcomed the gathering. Dr. P. Subbiah Senthil Kumar, seminar convener introduced the chief guest. Dr. G. Sivasubramanian, Assistant Professor, Department of English, The Madura College, Madurai was the chief guest of the morning. The seminar was aimed to update the knowledge on the recent trends in Subaltern Literature. The transition to the digital environment and the increasing use of digital information was taken as the key tools for organizing a national seminar. However the main drive for organizing the seminar was to provide some guidance on this new literary theory by inviting speakers who could share their thoughts and experiences and discuss the issues with seminar participants.

### **Seminar Setting**

This seminar was arranged in a ZOOM platform. The platform provided the participants and speakers a good opportunity to know each other better in a more casual environment. About 50 participants participated in the seminar. They represented a broad range of institutions. They brought a valuable mix of experiences and perspectives to the seminar. The speakers presented the audience with different practical experiences, insights, and views, about the Subaltern literature both at an organisational and national level. It gave a good impression and understanding of the theory. The feedback of the participants confirmed that the seminar was very much appreciated as well as that there is a pressing need for more practical approaches in understanding the theory and for other opportunities to discuss many issues.

### **Aims and Objectives**

The seminar was structured to help participants to walk through the issues of Marginalized, starting from understanding the theory at base level and identifying the problems of marginalized, their issues and the impact. The objective of the seminar was to provide insight into the issues of the marginalized, to identify their problems, and to discuss the possible solutions for their problems at literary level. In order to encourage discussion and a more focussed exchange of information question sessions were scheduled at the end of each day. During these sessions participants shared and discussed their thoughts about subaltern literature with each other and speaker. The seminar was opened by the **Dr. (Capt.)KR. JEYAKUMAR**, Principal who gave an excellent introduction to the seminar and overview of the marginalized. He discussed not only some initiatives in the area of marginalized literature, but also emphasised several important issues, such as raising awareness especially among younger generation of the marginalized, the need for education for them. Finally he stressed the need to identify critical factors through literature to uplift the marginalized in the society. His address showed a complex mix of aspects and issues that have to be addressed by the speaker in the seminar in dealing with the problems of the marginalized in the literature. Apparently the speaker agreed silently to discuss in his lecture the scope of marginalized literature to encompass the whole life cycle of the marginalized. Dr. G. Sivasubramanian, Assistant Professor, Department of English, The Madura College, Madurai presented in this respect the approach and the main object of this seminar to review literature that may be taken to empower marginalized. In his lecture he referred writers like Springer Link, Wiley Online Library and ProQuest who wrote on marginalized literature. He used the following key words “**power, community, empowerment and community empowerment**”. He said that from literature that there are three levels of empowerment; psychological, organizational and community levels of empowerment. According to literature only community work for the purpose of empowering marginalized communities do better in uplifting them. He concluded that Subaltern literature forward steps that may be taken in empowering the marginalized through community work, mutual support, issue identification and campaign, community participation and social movements. The afternoon section was chaired by Mr. Balakumar Assistant Professor, Dept. of

English PKR Arts College for Women, Gobichettipalayam. Around 30 papers were presented on theme of the seminar. Among the 30 presenters one was from Kolkatta and others were from different districts of Tamilnadu. Ten M.A students of our college presented their papers. The purpose of the paper presentation is to review the marginalized literature and explore the outcomes of interpersonal relationships, valued life goals, and health as reflected in literature and identify gaps in the literature for proposing future research. Titles and abstracts were reviewed to select articles that focused on marginalized literature that contributes to the diversity of literature, or provided historical context for the development of the marginalized literature . The final process of elimination resulted in 15 articles for presentation. The second day of the seminar opened with welcome address given by Dr.V. GuruDev Rajan H.o.D Department of English which was followed by chief guest introduction by the convenor Dr.P.Subbiah Senthil Kumar. The key note address was delivered by Prof.N. Thirumagal Associate Professor and Head, Department of English Melur Arts College. Madurai. She opened her speech saying that the Social, economical and political inequality is a **global phenomenon that produces the horrendous ignominy**. The term ‘**Marginality**’ is generally applied to interpret and analyze socio-cultural, political and economic spheres, where underprivileged people struggle to gain access to resources, and equal participation in social life. Likewise literature of Marginality is the literature that deals with the marginalized class of the world who are kept devoid of their fundamental rights to participate in the social, religious, cultural, political, educational and economic spheres of their lives and are kept aloof, alienated, or segregated physically from the general public called the sophisticated Hindu or the elite classes of the world. When talking about the writers who wrote on marginalized, she said that many **postcolonial writers** and theorists have challenged the representative claims to marginality of the elite or dominant classes in postcolonial cultures and societies in their works. Talking about Marginality in Indian Literature in general and English literature in particular she said Marginality gets its root in India in the sphere of **Dalit literature**. The term “Dalit” means “those who have been broken and ground down by those above them in the social hierarchy in a *deliberate* and active way”. Untouchables, burst, split, scattered, dispersed, depressed or crushed classes, underprivileged, downtrodden, ground-down and Harijans are generally called Dalits. She closed her address with a few words about the Indian writers and a few Commonwealth writers who touched Marginality. The leading authors of **Dalit literature in India** are Mulk Raj Anand (*Collie, Untouchable* etc.), Om Prakash Valmiki, Munshi Premchand, Baburao Bagul and **Mahasweta Devi** (*Aranyer Adhikar*). Colour and race-discrimination and alienation are two equally forceful elements of Tony Morrison’s works. Her novel, *Beloved* is a heart rending tale of race discrimination. Chinua Achebe’s novel *Things Fall Apart* presents a different idea on race, class and colour in the context of Africa, the Land of Darkness. Joseph Conrad’s *Heart of Darkness* also has the same undertones which is overlap between racial consciousness and identity. She finished her address saying that the ‘rapid globalization has changed human outlook over caste, creed and colour but it was still unable to bring economic equality among all classes. Which literatures are trying to bring.

#### **Tree Plantation-2021**

Trees are an essential and indisputable part of our life. They perform a variety of functions, such as provide us with oxygen, food, wood, and many more. They are a vital part of our environment and are essential to maintain the balance in the

ecology. Tree plantation is referred to the planting of saplings/seedlings to increase the forest cover and to ensure the sustenance of our ecosystem. Generally, it is done in a planned manner. Students were educated before the programme to learn and think indirectly about environmental conservation, soil conservation, water conservation. They were also asked to propagate the message to the society that planting trees helps to maintain a clean, eco-friendly environment, reduces pollution and improves the green ambience and keeps the campus clean and green. Purifies air, provides pure oxygen, maintains good air quality, reduces air pollution, increases greenery, has high medicinal value, eco-friendly and has anti-desertification properties. Good carbon dioxide sink, source of environment-friendly biopesticides. The objective of this programme is to promote Go Green campaign, protect and preserve the environment and monitor the environment in the respective villages. The motive of this event is to bring awareness about the event among the young students and to take care of our Mother Earth and indirectly help the mankind.

### **INDUSTRIAL VISIT/FIELD TRIP/EDUCATIONAL VISIT/INTERNSHIP**

Educational trip for The Hindu office at Virraganoor Madurai was arranged by the Department. III year English Literature students and M.A students were taken to the trip. A private bus was arranged to education trip on 25.05.2022. 70 students were taken to the trip. As per the schedule the students were first taken to the Tirumalai Naikar palace . The historical importance of the palace was briefed to the students. Students studied the history of the palace from the records displayed on the palace. It lasted for one hour. After the trip to the Nayakr palace students were asked to take rest in the park near the palace. They shared the snacks they brought with them. Later they were taken to Madurai Teppakulam. They had their lunch at Theppakulam. After the lunch students were taken to the Hindu printing office at Viraganoor. Initially we were permitted with a pass to visit the press. However the senior editor Mr. S.Srinivasn wished to interact with our students. Hence our students were asked to assemble in a conference hall. The senior editor briefed the history and the development of the Hindu press right from the beginning. Later he explained the process of receiving the news. According to his statement The Hindu news paper receives news till morning 2 am. After receiving the final news he talked the process of editing the news he received. He used a few videos to explain the process of printing the news. Unfortunately as it was a pandemic period he said the press runs only in the night. Day shift is temporarily stopped. However he took all our students inside the press to look at the printing machinery. We were not allowed to take photos inside the campus. It lasted for one hour. After the visit to the printing press students were gathered at a park in the office for disperse. It was a wonderful experience to the students to visit the printing press.

### **INVITED LECTURE**

Our association function opened with a prayer song. It was followed by the presidential address by our principal Dr.KR.Jeyakumar, HoD of the history department Dr.T.Dhanalakshmi welcome address M.Jeyamkondan, Teacher, Sri Vidhyaa Giri Matriculation Higher Secondary School, Puduvayal delivered key note address. In his address he praised Bharathiyar. Man who brought British India to its knees writes his pens. the pen is mightier than the sword is the fittest proverb suits for this Indian freedom fighter. He was also called "Mundasuv Kavi (Turban Poet) at the age of seven. Bharathi stated writing Poem. At the age of 11, he had to establish his credential. He threw a challenge to the eminent man in the assembly of scholars that they should have a contest with him in a debate on any subject without any previous notice (or) preparation. He won the debate that was respectfully referred to as "Bharathiyar". Bharathi is considered as a national poet due to his number of poems of the patriotic flavor through which he exhorted the people to join the independence struggle and work vigorously for the liberation of the country. Bharathi was also against cast system. He declared that there were only two cast-men and women and nothing more than that above all he himself had removed his sacred thread. He had also adorned many dalits with

sacred thread. He was the best example of secularism. He opposed child marriage, dowry and supported widow remarriage. Bharathi died on 11th September 1921. He followed what all he preached, and it is here that his greatness is manifested.

## **EXTENSION ACTIVITY OR OUTREACH PROGRAMME**

### **Extension Activity**

#### **Activity 1: POSHAN ABHIYAAN**

Under Poshayan Abhiyaan Scheme, Department of History, Red Ribbon Club and Department of Botany of our college and Nehru Yuvabharatham Welfare Association jointly organized an outreach programme from 23.09.2021 to 24.09.2021 at Prabhas Selvi Mahal, Thiruppathur. Poshan Abhiyaan programme is government of India's flagship programme to improve nutritional outcomes for children, pregnant women, and lactating mothers. On 23.09.2021, two faculty members along with eighteen II BA history girl's students actively participated and assisted the people. Thiru Shanmuganathan, Director of Nehru Yuvabharatham Welfare Association, gave the welcome address. Mr. P.V.Praveenkumar, District Youth Officer, Nehru Yuva Kendra, inaugurated the programme. He highlighted the importance of this programme by focussing on nutritional status of adolescent girls, pregnant women, lactating mothers, and children from 0-6 year's age. He also insisted that this programme can be reached to all the corners of our nation only through community participation. This can be tasted success only through active participation of the students. Ms. R. Ananthi, Counsellor, Integrated Child Development Services Scheme, Sivagangai district, enlisted the various strategies to the parents which should be followed to raise the children's. She also stressed that psychological parents should be ready to bring out their children's in a healthy manner. Later, our students facilitated the programme by distributing the nutritional kit to the beneficiaries by packing the necessary ingredients inside the packet and ensured safety precaution while distributing the packets. Students also interacted with the beneficiaries about the importance of nutrition in every stage of growth. They particularly stressed the pregnant women to take healthy diet as they alone require 300gms of extra calories for effective strengthening of the bone. This can only be supplemented through a balanced diet of proteins, calcium, iron, and whole grains. In this aspect, apple, orange, guava, pomegranate fruits were packed and distributed to the beneficiaries. Similarly, students also gave some tips to adolescent girls to take iron rich foods such as dates, pomegranate etc., in their normal diet to avoid anemia conditions. Finally, Dr. T. Dhanalakshmi, Head, Department of History gave special address. She also insisted that all the women, who act as different roles in every stage of life, are vulnerable to health diseases. To avoid those circumstances, all women should give top priority to health conditions which can only met by nutritional diets. Finally, one of our student proposed a vote of thanks.

#### **Activity 2:**

On 24.09.2021, another flip side of the programme Poshayan Abhiyaan, Campaign to know about the food materials was also given to the participants. Ms. M. Kalaiselvi, Block Coordinator, Integrated Child Development Services, Thiruppathur Block enlisted the various regional foods that should be consumed at regular intervals by the participants. These foods are encompassed with high protein and calcium content which are essential for the lactating women, pregnant women and also adlescent girls. Recepte competitions between the participants were organized. Students from department of Physics and history actively participated as volunteers and assisted the participants in the food recipe preparation. Two students for each participant were deputed. They also assisted the participants by cutting vegetables, seasoning of foods, colouration, decoration etc. Faculty members Dr. Y.B.Kannan, RRC Convener, Dr. M. Velmurugan, Asst. Prof. of History and Dr. N. Vijayanand, Asst Prof of Botany helped in preparing the certificates to the participants.

## **INDUSTRIAL VISIT/FIELD TRIP/EDUCATIONAL VISIT/INTERNSHIP**

In this academic year (2021-22) a field study to Ulagini Patti Kanma near Thirupathur taluk was arranged on 8<sup>th</sup> May, 2022. This was intended for the purpose of gaining a practical knowledge on the various methods of archaeological excavation. Ulagini Patti Kanma excavations carried out by our history professors trace a megalithic urn burial site, found more than 100 megalithic urns. Following this, history I, II and III year students were taken away to conduct field work and field study in the area. The professors of history explained to the students the method of excavation, the steps to be taken during the excavation, various types of dating methods, the types of megalithic urn, their use and their duration. The students were divided into three groups excavated in the megalithic urn burial site area. During the excavations, various megalithic urns discovered and identified, one of the urns taken for research which were found to contain pottery, black and red wear pots, water jugs and earthenware plates made of clay were discovered which were buried around the funeral urns. This field study provided a golden opportunity to the students of history who opted archaeological knowledge. 132 students from the department of history participated and get benefited in this field study.

## **EDUCATIONAL VISIT/ FIELD TRIP**

Department of history organized a field trip to Thandikudi for the third year students. The field trip was scheduled on 11.05.2022 around 40 students from the III year history were accompanied by our faculty members Dr. T.Dhanalakshmi, H.O.D, Dr.R.Sanjeevi, Dr.M.Sivachandran, Assistant professors of department of history. On this trip students visited places like Thandikudi habitation sites of Ancestral South Indians and Senbaganur museum in Kodaikanal, Dindukkal district. The students were first taken to visit Thandikudi. Thandikudi is one of the major village in the lower Palani hills occupies a unique position. Our department students were visited Thandikudi habitation sites of Ancestral South Indians. This place is one of the important ancient archaeological site and many archaeological vestiges unearthed here have clearly attested that it was continuously occupied since pre-Iron Age times. The occurrence of Dolmens, Cists, Cairn-circles and Urns points out to the convergence of different cultural traits. Where the students were allowed to explore the historical sight and learn more about it.

The students were visited another one important place in kodaikanal that is senbaganur Museum. It is very useful to students because so many archaeological vestiges were displayed in the museum like mega size burial Urns, ancient stone tools, ancient, medieval and modern years coins, our students were seeing the museum to easily understand historical importance of the archaeological evidences. On the other part of the museum so many persevered animals, birds, insects were displayed our students also to visit that, it is very useful to the students. Overall the students had a good learning experience, exploring the historical sight. Students have enjoyed the trip as an experiential learning and gave a positive feedback.

Two Days online International Conference on **“Sustainable Indian Economic Development in the COVID-19 inflicted World Economic Scenario”** was organized by the department of Economics on 18.11.2021 and 19.11.2021. The programme started with a welcome note by our principal, Dr.Capt.KR.Jeyakumar. He welcomed all the delegates contributing in this conference from different corners of the globe. He addressed on how the covid-19 pandemic has shattered the lives of millions of people all over the world and it is need of the hour to revive the world from the crisis. Dr.V.Elangovan, HoD of Economics briefed about the theme and objectives of the conference. He stressed that sustainability is a fundamental requirement to enrich ourselves, the economy and the world as a whole. He mentioned that covid-19 is the third largest factor which has adversely affected the Indian economy, after demonetization and GST implementation. He also insisted that it is the duty of academic pursuits to identify the slack in developmental path and help the nation to recover from the setbacks. **Honorable chief guest Dr.Siva Chittappa, Registrar, Tumkur University** delivered the **inaugural Address**. He appreciated the department of Economics for having chosen the relevant topic to address the covid-19 situation. He made us aware that sustainable developmental models should be adapted which must uphold factors such as self reliant, inclusive framework and that are environment friendly. Special address was delivered by **Mr.Saravanakumar Selvaraj, Administrator and Operational Manager, Sathya Sai Educational foundation, from Nigeria** on the topic, “Impact of covid-19 in Indian Economy with special reference to Education sector”. The conference had three technical sessions and covered various sub themes. The presentation was reviewed by extremely qualified chairpersons under each theme. The presenters were queried by both the experts as well as the audience on their topic presented. **The conference witnessed a participation of nearly 95** delegates including teaching faculties and scholars from various institutions around the country like Kerala, Bangalore, Silchar, Hosur, Chandigarh, Hyderabad, Jaipur. **The first technical session was chaired by Dr.P.Ravichandran, Dean-Humanities, GTN Arts College, Dindugul** and addressed on the topic, “Employment Opportunities in the Post Covid World”. **The second technical session** commenced with a special address by **Dr.Anitha Banerjee, Associate Professor, Department of Management and Social Science, Amity University, Tashkent, Uzbekistan** on the topic, The Shadow Pandemic: Implications on the Health and Financial Survival of Women”. **The technical session** was chaired by **Dr.R.Suresh, Assistant Professor, Department of Economics and Rural Development** and addressed on the topic, “Impact of covid- 19 on Indian Agriculture”. **The third technical session** was chaired by **Dr.PS.Kamble, Professor, Department of Economics, Shivaji University, Maharastra** and addressed on the topic, “New National Education Policy 2020 and Higher Education in India”. The conference concluded with Valedictory session. In the **valedictory address, Dr.S.Theenathayalan, Associate Professor and Head, The Madura College, Madurai** mentioned that the aim of sustainable goals is to address the social, economical and environmental problems. He opined that apart from measuring an economy on monetary basis, it is essential to measure it by the Gross Domestic Happiness Index seeking the psychological well-being of its people. He also insisted that every individual should contribute for achieving sustainability. **Dr.C.Umamaheswari, Assistant Professor of Economics** proposed vote of thanks.

**REPORT ON RECENT TRENDS IN ENERGY MATERIALS (RTEM – 2021)**

Department of Physics of Arumugam Pillai Seethai Ammal College organized a national virtual conference on “RECENT TRENDS IN ENERGY MATERIALS” (RTEM – 2021) on 14 and 15 July 2021 with the sole aim of creating a platform to motivate researchers, scientists, academicians and students during this pandemic period. The objective of the virtual conference was to uncover the thrust areas, share technical expertise, open venue for young researchers and establish functional coordination with the researchers in the field of Physics and Chemistry. 235 participants were registered in the virtual conference. Out of which 106 were Assistant Professors, 13 Associate Professors, 7 Professors, 84 Research Scholars and 25 were students. Participants were from all over the states like Mizoram, Karnataka, Kerala, Kashmir, Pondicherry, Maharashtra, Punjab, Delhi, Uttar Pradesh and Gujarat. We received eleven (11) full papers and sixty (60) abstracts from states like Delhi, Mizoram, and almost from all leading institutions in Tamil Nadu. After careful evaluations by the expert committee, the accepted full-length articles are published as proceeding and abstracts were published separately as book of abstracts.

The conference was started with the welcome address by one of the conveners Dr.Y.B.Kannan. Presidential address was delivered by the Principal Dr.(Capt.) KR.Jeyakumar. Eight invited talks from eight eminent professors were scheduled over the two days of the virtual conference. Inaugural and plenary address of the conference was given by Prof.C.Sekar, Registrar, Alagappa University, Karaikudi. In the first day of the conference, Dr.M.Sivakumar, Associate

Professor, Department of Physics, Alagappa University, Karaikudi, Dr.R. Ilangovan, Professor, National center for Nanoscience and Nanotechnology, University of Madras, Chennai and Dr.Nygil Thomas, Assistant Professor, Department of Chemistry, Nirmalagiri College, Kannur, Kerala delivered their talk. Participant's presentation was scheduled in the afternoon session of the first day. Fourteen scholars present their findings in this session which was chaired by Dr.M.Ravikumar, Associate Professor and Dr.M.Ramachandran, Assistant Professor of Department of Physics. The second day of the conference was started with the day-2 technical session-1 in which Dr.K.Dinakaran, Director – Research, Tiruvullvar University, followed by Dr.R.Subadevi, Assistant Professor, Department of Physics, Alagappa University, Karaikudi, and Dr.RM. Gnanamuthu, Research Professor, Department of Chemistry, SRM-IST, Chennai delivered their talks. Afternoon session of the second day was allotted to Participant's presentation. Twelve scholars present their findings in this session which was chaired by Dr.M.Ravikumar, Associate Professor and Dr.M.Ramachandran, Assistant Professor of Department of Physics.

The number of participants responded for attendance through the Google form in the morning and afternoon sessions of the first day is 112 and 72 respectively. Similarly, the number of responded in the morning and afternoon for the second day is 102 and 79 respectively. Finally, the valedictory function starts in which one of the conveners of the conference Dr.M.Ramachandran proposed the welcome address and Presidential address was delivered by the Principal Dr.(Capt.) KR.Jeyakumar. Best presentation awards and the participant's certificate were distributed through online. Some of the participants gave their feedback about the conference. Valedictory and plenary address of the conference was given by Dr.R.Chandramohan, Professor and Research Advisor, Vidhyaagiri College of Arts & Science, Karaikudi.

#### EXTENSIONACTIVITYOROUTREACHPROGRAMME

Due to pandemic period, II-year Physics students of Arumugam Pillai Seethai Ammal College are distributed into six groups visited different places in and around Tiruppattur such as Thulaiyanur, Karaiyur, Siruvayal, Tiruppattur and Chokkalingapuram on 23.10.21 & 24.10.21 as Extension Activities in partial fulfillment of the requirements for the award of the degree of Bachelor of Physics. Social Protection (SP) generally denotes to a set of plans and programs aimed at protecting people against poverty, vulnerability, and social exclusion throughout their life. Over the last 15 years, India has witnessed a growth in rights-based entitlements and systemic modifications to build a more inclusive SP system. Green atmosphere tells to how to preserve environment and enhanced health of the environment. How to go green, our students are discussing the importance of eco-friendly products, including supporting practices like smart applications of green energy products and the strategies for green energy maintenance, as well as the advantages with the people and give the awareness to the them exclusively traffic rules, importance of Covid-19 Vaccination, the importance of 100 days' work in the rural and the awareness on Kavalan app etc., Our students also planted saplings in the school ground to promote awareness among the school students in preserving our environment for a better future life. The species are Neem, Mango etc., are planted in the school ground. The group of students and their related activities are shown below

## INDUSTRIAL VISIT/FIELD TRIP/EDUCATIONAL VISIT/INTERNSHIP

Department of Physics has arranged a Field Trip to the UG final year students on 13<sup>th</sup> May 2022. The students visited the University Science Instrumentation Center (USIC), Alagappa University, Karaikudi. The Director of USIC, Prof. K. Sankaranarayanan, welcomed the faculty members and the students. The Director of USIC gave a brief introduction about the aim and functioning of USIC. The aim of the USIC was to uplift the quality of research in basic as well as applied field of science carried out by the students, scholars, and faculty members of this University as well as from nearby institutions at very affordable cost. He also explained the scope of the internship programme conducted by USIC. The internship period is two weeks (10 working days) and a maximum of 2 interns will be allotted at a time for an equipment. The internship period will be assigned based on the convenience of the applicant. Scholars elaborated the working principle of the various instruments available in USIC, namely Atomic Force Microscope, Vibrating Sample Magnetometer, Micro-Laser Raman, Powder X-ray Diffractometer, NMR, FE-SEM with EDAX, Matrix Assisted Laser Desorption/Ionization TOF-TOF spectrometer, Real time PCR to the students. Vibrating sample magnetometer (VSM) is used to study the magnetic properties of the sample. The sample can be analyzed from room temperature to 4K and to maximum magnetic field strength 3 Tesla. The powder X-ray diffractometer (XRD) is used to identify the phase of the samples. The first step after preparation of the samples particularly in nanofield is XRD characterization. This characterization reveals phase and purity of the prepared samples. XRD reveals the internal atomic arrangement of the solid materials. It also provides the information regarding the chemical composition, lattice strain and texture. Sample temperature RT-1100°C. real-time PCR permits the analysis of the biological products while the reaction is in progress. Monochromatic X-ray Beam (15µm), X-ray beam induced secondary electron imaging and chemical state imaging, Large/Micro area and Angle dependent XPS with depth profiling and Bulk, thin and powder samples can be done.

## FACULTY ACHIEVEMENT.

### Dr.N.S.SARAVANAN:

- ♣ Participated in the Faculty Development Program on Modern Trends in Physics organized by Department of Physics, Vivekananda College, Madurai Conducted on 29.01.2022.
- ♣ Participated in 7 day online faculty development programme on Enhancing Quality by Unearthing Innovative Practices-EQUIP 2022 held at Mannar Thirumalai Naicker college-Madurai from 18-04-2022 to 24-04-2022.

### Dr. M. RAVI KUMAR:

- ❖ Participated in International webinar series on Indian nuclear power programme organized by department of applied Physics, Karunya Institute of Technology and sciences, Coimbatore on 08.06.2021.
- ❖ Completed short term course on Practical consideration and system aspects of Photovoltaics conducted by Kong Nadu Arts & Science college Coimbatore from 10-12 June 21.
- ❖ Participated in One-week Faculty Development Program on Advance Material Research organized by BIET & Indian Ceramic Society from 15-19 June 21.
- ❖ Participated in international webinar series on Astronomy and Astrophysics organized by department of applied Physics, Karunya Institute of Technology and sciences, Coimbatore on 01.07.2021.
- ❖ Participated in international webinar series on Astronomy and Astrophysics organized by department of applied Physics, Karunya Institute of Technology and sciences, Coimbatore on 22.07.2021.
- ❖ Participated in one day International Conference on Current Trends in Material Science on 26 th July 2021 organized by Nehru Institute of Technology Coimbatore.
- ❖ Participated in the Faculty Development Programme on Recent Research Advanced Material from Trends from 02/08/2021 to 07/08/2021 organized by Bharat Institute of Engineering and Technology Chennai and Indian Ceramic Society, Hyderabad, Telangana.
- ❖ Participated in the Two Week International Faculty Development Programme on Advanced Computational and Experimental Research in Physics – 2021 organized by SRM Institute of Science and Technology, Chennai from 13 th sep to 25 th sep 2021. Participated in ADVANCED MATERIALS – WEBINAR SERIES 2021 on Novel Magnetic Material on 20 th December 2021 organized by St. Joseph's College, Tiruchirappalli.
- ❖ Participated in the Faculty Development Program on Modern Trends in Physics organized by Department of Physics, Vivekananda College, Madurai Conducted on 29.01.2022.
- ❖ Two Day online Faculty Development Programme on Condensed Matter Physics" jointly organized by PG and Research Department of Physics and Internal Quality Assurance Cell, Jamal Mohamed College (Autonomous), Tiruchirappalli in collaboration with Indian Spectro Physics Association (ISPA-Chennai) under DBT Star College Scheme during the period 24.01.2022 to 25.01.2022.

### Dr. S. MARIKANNU:

1. Acted as member in Women and Girls student's coordinators cell.
2. Acted as member in Discipline Committee.
3. Acted as Co-Convener in Calender Committee.
4. Acted as Programme Officer for National Service Scheme

### Dr. Y.B.KANNAN:

1. Conducted National virtual conference on recent trends in energy materials (RTEM – 2021) on 14.07.2021 & 15.07.2021
2. Effect of Ca<sup>2+</sup> doping on the electronic charge density and magnetic properties of ZnFe<sub>2</sub>O<sub>4</sub> spinel ferrites M. Thavarani, M. Charles Robert, N. Pavithra, R. #### INVITED LECTURE – 2021-2022

Mr. P.Saravanakumar, M.Sc.,LEAD – Copy Editing, Newgen Knowledge Works Pvt. Ltd, Chennai, an alumnus of our department/college is the resource person who delivered a special

address on 04.05.2022 to the chemistry students at Seminar Hall of our college. He has studied M.Sc. Applied Chemistry in Anna University, Chennai after completing UG in our college. He delivered a lecture on the “**Essential Qualities for Career Opportunities in the Publication Industries**”. The department of chemistry and the chemistry association decided to invite him as he can be a motivator for our present students and also as one of the prominent alumni who can compare the effectiveness of our curriculum delivery with that in other institutions he went for higher studies. In his lecture he compared the facilities he had with that available for present students, the dynamic knowledge needed for being a successful person. He explained his struggles at the time of joining UG in our college as a student of Tamil medium in Hr. Sec., a student of economically down-trodden society, etc. and how various supports from the faculty members, such as bilingual teaching, easy to follow study materials, personal care and counselling from faculty members helped him and his friends to overcome the struggles. He said that the value system adopted in the college is helping the even today. He also said that they didn't have the e-learning sources at their time but it was with some other institutions at that time itself. He emphasized the need of communication skills along with technical skill will ensure the bright future of every aspirant in any job. He compared the success of Indians with the success of aspirants from other Asian countries where the English is not the language of instructions in higher studies. He listed out the following are the essential skills for being a successful person in the publication industries along with dedication and discipline.

The language skill  
General awareness  
The software skills

After his special lecture there was a discussion when our staff members listed out the advanced learning resources available in our college such as e-notes, infliplibnet, etc. Before his special address the secretary of chemistry association of our college welcomed every one attended the invited lecture. After the lecture the joint secretary of the chemistry association S. Afshaan Fathima delivered the vote of thanks. The number of participants are 128 students and 10 staff members.

## **EXTENSION ACTIVITIES**

Inculcating social awareness and social responsibility among the students. The department of chemistry of our college has designed a scheme to execute the above objective by educating the students to meet and interact with the people in around Tiruppattur to know their social economical status and their awareness on the following issues that are related to clean and green environment and healthy society and hence strong India.

- Health awareness
- Avoiding non-recyclable plastics that create environmental pollution
- Avoiding tobacco products that may create health problems like lungs cancer, oral cancer
- Rain water harvesting,
- Replacing synthetic fertilizers with organic manures
- Essential of soil testing and using the calculated amount of the needed fertilizers

In this academic year (2021 – 2022) due to the pandemic situation because of COVID-19 the students and faculties could not meet the people. Therefore, the students are advised to interact with the people in and around them that is in their villages to educate the people on the health, education and environment related issues and need of the involvement of public and also importance of adopting the directions of the governments to control the COVID-19. As the clutches of COVID – 19 restricted the group work, we planned to adopt the tree plantation only for this academic year. The students are also informed to plant a tree in their locality and upload the photos and the details of the plant such as conventional name, botanical name, conditions under which the plant will have a proper growth, the life span of the plant and its usages. The students have planted saplings of variety of trees such as neem tree, mango tree, pungan tree, etc and have uploaded the photos along with their parents and the above details.

### **WORKSHOP/FDP ORGANIZED:**

1. Dr.G.V.Gopinath, Asst. Professor of Zoology has organized Faculty Development Programme on SHORT LEARNING OBJECTS from 16.05.2022 to 18.05.2022 at Arumugam Pillai Seethai Ammal College, Tiruppattur

### **ATTENDED ONLINE FDP**

1. Dr. R. Ananthavalli, Asst. Prof. of Zoology, has Participated in “Research Innovations in Biological Sciences and Physical Sciences held from 23<sup>rd</sup> March to 12<sup>th</sup> April 2022. Organized by the Research & Development cell in collaboration with the Departments of Microbiology, Syed Ammal Arts and Science College, Ramanathapuram.
2. Dr. R. Ananthavalli, Asst. Prof. of Zoology, has participated in the five days Faculty Development Programme on “Biotechnological Innovations in Health Care” organized by Marian Star Centre, PG and Research Department of Zoology St. Mary’s College (Autonomous) Tuticorin Sponsored by the Department of Biotechnology, Ministry of Science and Technology, New Delhi From 14<sup>th</sup> to 18<sup>th</sup> March 2022.
3. Dr. P. Sivakumar, Asst. Prof. of Zoology, has Participated in Three Week Faculty Development Programme on “Research Innovations in Biological Sciences and Physical Sciences held from 23<sup>rd</sup> March to 12<sup>th</sup> April 2022. Organized by the Research & Development cell in collaboration with the Departments of Microbiology, Syed Ammal Arts and Science College, Ramanathapuram.
4. Dr. P. Sivakumar, Asst. Prof. of Zoology, has participated in Five days Faculty Development Programme on “Biotechnological Innovations in Health Care” organized by Marian Star Centre, PG and Research Department of Zoology St. Mary’s College (Autonomous) Thoothukudi. Sponsored by the Department of Biotechnology, Ministry of Science and Technology, New Delhi From 14<sup>th</sup> to 18<sup>th</sup> March 2022.
5. M. Karthigeyan, Asst. Prof. of Zoology, has Participated in Three Week Faculty Development Programme on “Research Innvations in Biological Sciences and Physical Sciences” Research & Developt Centre in collaboration with the Department of Microbiolgy, Zoology and Physics, Syed Ammal Arts and Science College, Ramanathapuram on 23<sup>rd</sup> March to 12<sup>th</sup> April, 2022.
6. M. Karthigeyan, Asst. Prof. of Zoology, has Participated in Five Day Faculty Development Programme on “Biotechnological Innovations in Health Care” Martin Star Centre, P.G & Research Department of Zoology, St. Mary’s College, (Autonomous) Thoothukudi, Sponsored by the Dept of Biotechnology, Ministry of Science and Technology, New Delhi on 14<sup>th</sup> to 18<sup>th</sup> March, 2022.
7. Dr. J. Arockia John Paul, Asst. Prof. of Zoology, has participated in the five days Faculty Development Programme on “Biotechnological Innovations in Health Care” organized by Marian Star Centre, PG and Research Department of Zoology St. Mary’s College (Autonomous) Thoothukdi. Sponsored by the Department of Biotechnology, Ministry of Science and Technology, New Delhi From 14<sup>th</sup> to 18<sup>th</sup> March 2022.

### **WEBINAR PARTICIPATION**

1. Dr.G.V.Gopinath, Asst. Prof. of Zoology, has participated in one day National Seminar on “ Trends in Field Plant Taxonomy and Conservation” organised by the Department of Botany on 07.03.2022. Organized by Department of Botany, V.V. Vanniaperumal college for women, Virudhunagar.
2. Dr.G.V.Gopinath, Asst. Prof. of Zoology, has participated in the National Level Webinar on Post Covid Effect - Mucormycosis on 12<sup>th</sup> June, 2021 organized by PG and Research Department of Zoology,SriVasavi College, Erode.
3. Dr.G.V.Gopinath, Asst. Prof. of Zoology, has participated in the one day National Webinar on Ecosystem Restoration: Striving Towards Sustainability organized by the Department of Geography (Day and Hindi

Shift), under the aegis of Internal Quality Assurance Cell, BanwarilalBhalotia College, Asansol, West Bengal, India, held on 5th June, 2021.

4. Dr.G.V.Gopinath,Asst. Prof. of Zoology, has participated in National Workshop on Research Methodology at Arumugam Pillai Seethai Ammal College, Tiruppattur, on 07.10.2021 to 08.10.2021.
5. Dr.G.V.Gopinath, Asst. Prof. of Zoology, has participated in the 5 day International workshop on Creating Interactive E -Assessment Tools on 14<sup>th</sup> to 18 June, 2021 organized by Universal Teacher's Academy, Pondicherry
6. Dr. P. Sivakumar, Asst. Prof. of Zoology, has participated in one day National Seminar on "Trends in Field Plant Taxonomy and Conservation" organised by the Department of Botany on 07.03.2022. Organized by Department of Botany, V.V. Vanniaperumal college for women, Virudhunagar.
7. Dr. R. Ananthavalli, Asst. Prof. of Zoology, has participated in one day National Seminar on " Trends in Field Plant Taxonomy and Conservation" organised by the Department of Botany on 07.03.2022. Organized by Department of Botany, V.V. Vanniaperumal college for women, Virudhunagar.
8. M. Karthigeyan, Asst. Prof. of Zoology, has participated in International e-Conference on "Microbial Applications in Human and Animal Welfare conducted by IQAC & Department of Zoology, Sri Kumara Gurupara Swamigal Arts College, Srivaikundam held on 19 & 20<sup>th</sup> April, 2022.
9. M. Karthigeyan, Asst. Prof. of Zoology, has participated in National Seminar on "Trends in field plants taxonomy and Conservation conducted by Dept of Botany, V.V.Vanniaperumal College for Women held on 7<sup>th</sup> March, 2022.
10. M. Karthigeyan, Asst. Prof. of Zoology, has participated in National Seminar on "Survey of Marine Fishery Resources Centre of Advanced Study in Marine Biology, conducted by Faculty of Marine Sciences, Annamalai University, Parangipettai held on 18<sup>th</sup> February, 2022.
11. M. Karthigeyan, Asst. Prof. of Zoology, has participated in DST-PURSE-II Sponsored National Workshop on "Imprints of Disaster Fisheries and its Management CAS in Marine Biology, organized by Faculty of Marine Science, Annamalai University, Parangipettai held on 11<sup>th</sup> February, 2022.
12. Dr. J. Arockia John Paul, Asst. Prof. of Zoology, has participated in National Workshop on Research Methodology at Arumugam Pillai Seethai Ammal College, Tiruppattur, on 07.10.2021 to 08.10.2021.
13. Dr. J. Arockia John Paul, Asst. Prof. of Zoology, has participated in National Workshop on Imprints of Disaster in fisheries and its management at Annamalai University, Chidambaram, on 11.02.2022.
14. Dr. J. Arockia John Paul, Asst. Prof. of Zoology, has participated in National Webinar on Biotechnological Solutions for Environmental Challenges at Bharathidasan University, Tiruchirapalli on 21.02.2022.
15. Dr. J. Arockia John Paul, Asst. Prof. of Zoology, has participated in National Seminar on Trends in field plant taxonomy and conservation at V.V.V. College, Virudhunagar on 07.03.2022.

#### **INVITED LECTURE AND SPECIAL ADDRESSES:**

1. Dr.G.V.Gopinath, Asst. Prof. of Zoology has given invited lecture on "Ecosystem Services" in Arumugam Pillai Seethai Ammal College, Tiruppattur on 22.09.2021.
2. Dr.G.V.Gopinath, Asst. Prof. of Zoology has delivered Special Address in the Short Term Training Programme on Inscription organized by Government Museum, Sivagangai on 01.04.2022. , Pulankurichi
3. Dr.G.V.Gopinath, Asst. Prof. of Zoology has given invited lecture on Scientific Temperament on 12.05.2022 organized by the Chemistry Association of V.S.S. Government Arts College.
4. Dr. J. Arockia John Paul, Asst. Prof. of Zoology has given invited lecture on "Traditional Knowledge Systems" in Arumugam Pillai Seethai Ammal College, Tiruppattur on 22.09.2021.
5. Dr. G.V.Gopinath,Asst. Prof. of Zoology has acted as Evaluator for student's science project for 29<sup>th</sup> National children Science Congress on 19.12.2021.
6. Dr.G.V.Gopinath, Asst. Prof. of Zoology has coordinated the Nilgiri Tahr Campaign outreach work organized by the Zoology students from 20.09.2021 to 02.01.2022 in Arumugam Pillai Seethaiammal College, Tiruppattur.
7. Dr. J. Arockia John Paul, Asst. Prof. of Zoology has acted as Evaluator for student's science project for 29<sup>th</sup> National children Science Congress on 18.12.2021.

#### **ORIENTATION/REFRESHER/FDP/ONLINE COURSES/SHORT-TERM COURSES/ COMPLETED BY FAC. MEMBERS.**

- Dr.G.V.Gopinath, Asst. Prof. of Zoology has participated in the 5 day Faculty Development Programme on Biotechnological Innovations in Health Care Organized by the PG and Research Department of Zoology, St.Mary's College, Tuticorin from 14<sup>th</sup> to 18<sup>th</sup> March, 2022.
- Dr.G.V.Gopinath, Asst. Prof. of Zoology and Convenor of Gurudaksharambh Committee has organized three day Faculty Development Programme on Preparation of Short Learning Objects from 17.05.2022 to 19.05.2022.

#### HONOURS/AWARD.

1. Department of Environment and Forest in its GO (D)3 dated 04.01.2021 has nominated Dr.G.V.Gopinath as Biodiversity Expert and included as the Member in the Monitoring Committee of Eco sensitive Zone - Vettangudi Bird Sanctuary.
2. Government of Tamilnadu has also nominated Dr.G.V.Gopinath as Biodiversity Expert and included as the Member in the District Green Committee.

#### **EXTENSION ACTIVITY OR OUTREACH PROGRAMME**

##### **ACTIVITY 1: HELMET AWARENESS**

In India, accidents with motorbikes are now prevalent nowadays. Despite the imposition of strict rules for motorbike riders, accidents continue to occur throughout the country. The ultimate results led to the death of the person. According to the data source from the Ministry of Road Transport and Highways, 143 two-wheeler accidents were registered and among the 143 cases, only nine were wearing a helmet during the mishap. This led the government to impose strict law that bike riders should wear helmets. Most people don't wear a helmet due to their carelessness and lack of awareness. In this regard, the Red Ribbon Club and Department of Botany of Arumugam Pillai Seethai Ammal College along with Thiruppathur Town Police Station and Traffic Police Department jointly organized the program in Thiruppathur on 21.11.2021. This outreach program was inaugurated by our Principal Dr. (Capt.) KR. Jeyakumar along with Traffic Police personnel of Thiruppathur. The main objective of this program is to disseminate the importance of wearing helmets and seat belts to the public. Police personnel gave a short talk to the public regarding the vital role of helmets in preventing accidents. Wearing a helmet helps to reduce the impact of an accident on your head. While riding your two-wheeler, it is very likely that if you are involved in an accident, then the resulting head injuries can be fatal, if you are not wearing a helmet. If you face a collision without wearing a helmet, it might cause external as well as internal brain injuries, which can cost your life. Stickers displaying "WEAR HELMET" were pasted in the speedometer of their bikes. Nearly, 120 stickers were pasted on the vehicles. 20 students actively participated in the program.

##### **ACTIVITY 2: FREE MASK DISTRIBUTION**

Department of Botany organized an outreach program in Kilasevalpatti (near our college) on 21.11.21. The main objective of the program was to disseminate awareness of COVID-19. The second Covid wave was found to be more dangerous than the first wave due to sudden mutation occurring in SARS-CoV-2. Shortage of vaccines, hospitals, and oxygen cylinder led the people to fear against the mutant variant. Peoples were also found to be lethargic due to lack of awareness of mutant variant. People were also not wearing mask in the bus stand of Kilaselvalpatti. So, in this regard, I B. Sc Zoology of our college gave awareness regarding COVID mutant variant to the public of Kilasevalpatti village. Students went to each area of the village and explained about the symptoms of mutant variant, advised them not to be lethargic. They distributed free mask to the village peoples and asked them not to remove the mask for the entire day. They also urged the village people not to reuse the same mask and discard the mask properly. In addition, they also taught the village people on how to wash the hands properly. Maintaining Social distance is one of key practices to break the chain of COVID-19. They also urged them to maintain social distance on all occasions. 15 students participated in the program. Four Hundred and twenty five masks were distributed to the public.

##### **ACTIVITY 3: AWARENESS ON HAZARDOUS EFFECT OF PLASTIC USAGE**

Plastic is now possessing a serious threat to the environment due its composition and non-biodegradable property. Plastic after a long-term period breaks down into harmful tiny particles of microplastic and that in turn mixes into the waterways. When ingested by the living organism, it causes detrimental effects. In this regard, Red Ribbon Club and Department of Botany organized an awareness campaign on hazardous effects of plastic usage on 19.11.2021 at Thiruppathur. Dr. (Capt.) KR. Jeyakumar, Principal inaugurated the programme. Dr. Y.B.Kannan & Dr. N.Vijayanand organized the program. Students prepared placards displaying the ill effects of plastic usage and gave awareness to the village people by door-to-door individual public reach and to every shops. They distributed pamphlets also to the shopkeepers and urged them not to distribute plastic bags to the public. They also insisted alternative ways such as paper bags, gunny bags, cloth bags, jute bags etc., for purchasing vegetables, grocery items etc. Seven students participated in the program.

#### **ACTIVITY 4: HELMET AWARENESS**

In India, accidents through motorbike are now prevalent nowadays. Despite imposition of strict rules for motorbike riders, accidents continue to occur throughout the country. The ultimate results led to death of the person. According to data source from Ministry of Road Transport and Highways, 143 two-wheeler accidents was registered and among the 143 cases, only nine were wearing helmet during the mishap. This led the government to impose strict law that bike riders should wear helmet. Most of the people don't wear helmet due to their carelessness and lack of awareness. On 21.11.2021, Department of Botany and Red Ribbon Club organized a helmet awareness program for the public at Melur, near Madurai. Ten Students participated in the program. Our principal inaugurated the program. The main objective of the program is to create awareness to the public regarding the importance of helmet wearing while driving. Stickers displaying "Wear Helmet" were pasted in the speedometer area which reminds them to wear helmet when seeing the sticker. Public also praised the initiatives and responded positively. 125 stickers were pasted.

The Association of the Business Administration has organized and invited a Lecture on 04.04.2022 in the Seminar Hall, Arumugam Pillai Seethai Ammal College, Tirupattur. The Chief Guest Dr. R. Saravanan, Assistant Professor, Department of Commerce, Government Arts College, Karur., delivered a lecture on the topic “Thodu Vanam Thottu Vidum Thuram”. He motivated the students on how to increase their self-confidence, and face day to day problems in life. The students are very much inspired by the speech delivered by our chief guest. Our chief guest educated the students with the correct values. The speech focused on great leaders of our country like Swami Vivekanda, Netaji Subhash Chandra Bose, and Mahatma Gandhi, who have always encouraged and guided the students on the right path. The speech enabled the students to take up the moot subjects and also to resolve the existing issues. Students enjoyed the speech delivered by our chief guest which was followed by a question and answer session in which the students actively participated by asking many thought provoking questions.

He gave guidance to the students on how to prepare for and attend the interviews. This speech made the students realize the importance of education in life. The entire session was very interactive; students took active part in understanding the topic. Students absorbed the information & shared their experiences on the issue. We had a lot of fun and the students enjoyed themselves very well. They seemed to have a nice time with him. It was an interactive session with activities. Students gave a positive feedback. Association Vice President P. Sivasankari, Assistant Professor, Department of Business Administration delivered the welcome address. Dr. M. Muthukamu, Associate Professor and HOD introduced the Chief Guest. Dr. (Capt.) K. R. Jeyakumar, Principal, Arumugam Pillai Seethai Ammal College honoured the Chief Guest and presided over the function. Mr. R. Manikandan, IIBBA student gave the vote of thanks.

Extension is an important activity which contributes to the enhancement of the status and welfare of the society at large. Keeping this view in mind some of the second year B.Voc. B & F students carried out extension activity on 14, 15 & 17 November, 2021 at Arumugam Pillai Seethai Ammal Matriculation School, Karaiyur Govt. School, NMG School Tiruppattur, Thenkarai Govt. School with the motto of Tree Plantation. Students have conducted the extension activities with precautionary measures like wear a face cover and keep a safe distance.

All second-year students downloaded the Arogya Setu App on their smart phones and disseminated the need and importance of this app to the village people of his/her own areas. With the effort of our students, users understand whether they are currently exhibiting symptoms associated with covid-19 and this platform can help with self-diagnosis. Besides, all the second year Girls students downloaded the Kavalan App on their smart phones to motivate its users of the app among the people of their area. This app will enable users to alert the police immediately during the emergency situations such as sexual assault, Kidnap or eve-teasing and natural disasters such as earth quake or floods.
