IQAC
STAKEHOLDERS FEEDBACK
STUDENTS' FEEDBACK-2019-2020
REPORT

IQAC of Arumugam Pillai seethai Ammal college receives feedback from the stakeholders once in a year to improve the curriculum and its implementation. This report details the feedback on curriculum by the students of 2019 to 2020. A questionnaire was prepared in a Google form and the link was sent to the students. It is an online process which makes it easy for them in this pandemic situation. 636 students have given their feedback. 95.6 % of students marked that the course objectives were clear to them and they were able to get the objectives. Only 4.4 % were in need of clarity. The chart shows the course learning time was manageable for 89.5% of students. 10.5% of students evident that the course objectives haven't been achieved within the stipulated time. 10.5% pupil marked in need of more time. 92.1 % of students marked that the objectives were completed quitely. 92.6% of students were encouraged in class to participate and involve in activities by the learning and teaching methods. 7.4 % expect to be motivated by the teaching method. Since the environment brings or allows the students to be concentrative, the fifth question has been meant for the environment . 86.6 % of students agreed that the overall environment in the class was conducive to learning. Only 13.4% need environmental convenience. 88.2% were agreeable that the provision of learning resources in the library was adequate and appropriate. 11.8 % of students demanded improvement. 91.5 % of students said that the

course stimulated their interest and thought on the subject area. 8.5 % denied it. 94.8 % answered “yes” for the question " The course concepts were presented clearly". 5.2 % were in need of clarity. 91% accepted that the method of assessment was reasonable and satisfied. 92.5 % of the students said that feedback assessment was helpful. 97% answered that the teacher was responsive to students' needs and problems. The Mentor Mentee system is helpful for this. Only 5.3% of students registered "No". 93.9% agreed that the syllabus increased the subject knowledge. They said that it has increased their confidence level well. 91.1 % nodded for the point "The course was helpful in professional options". Pupils felt that the curriculum helped in competitive exams. Only 8.9% said that the course has to be more useful. 89.7% registered their point that the curriculum helped in competitive examinations. 10.3 asked if the curriculum can be focussed in competitive exam centric also it could be helpful. Suggestions have been received from the students and it has been analyzed.

STAKEHOLDERS FEEDBACK

TEACHERS' FEEDBACK-2019-2020

REPORT

Arumugam Pillai Seethai Ammal College involves teachers in the improvement of Curriculum and Syllabus. Once in a year IQAC takes feedback from the stakeholders. IQAC prepared a questionnaire and received feedback on the curriculum from all the teachers for the year 2019-2020. Feedback focused on the points that the syllabus was on board with the current scenario and usage of ICT tools in curriculum delivery. 81.1% was marked positively and 17 % was neutral. Since the education system has to choose hybrid teaching methods, the ICT Tools usage was concentrated. 90.6% faculty agreed ICT can be useful in curriculum delivery, still 2.9% felt it was difficult. 7.5 % stood neutral. 86.8 % of teachers agreed that the course was useful for professionals. 11.3 % were neutral. 1.9 % denied this point and suggested an improvement. 77.4 % of the teachers accepted that the curriculum was skill oriented and 18.9 % neutral. only 3.7 % expected an improvement. 83 % of teachers agreed that the curriculum helps in competitive examinations and 11.3 % was neutral. 5.7% of the faculty disagreed with the point. 83 % of faculty members say that the curriculum is flexible. 11.3% were neutral. 5.7% denied this. Faculty members have suggested that the curriculum should be updated and career oriented. The documentation of the feedback and analyzing, leading to the quality improvement. Industrial collaboration has been suggested to make the students get job entry knowledge. The Board of Studies is

requested to receive opinion on curriculum designing from faculty to make effective teaching and learning.
