ARUMUGAM PILLAI SEETHAI AMMAL COLLEGE
(Re-accredited with 'B+' Grade by NAAC)
Thiruppattur -630 211, Sivagangai District

Alumni Association
From 2018 – 2019 To 2023-2024

It is our immense pleasure to inform you that the Golden Jubilee of our college and 100th year of our beloved founder **Thiru. Arulmamani NTS. Arumugam Pillai** is to be celebrated in a grand and impressive manner. This is a rare and unique coincidence for any educational institution.

Late Arulmamani NTS. Arumugam Pillai, founder of our institution returned from Malaysia with his hard-earned money with a motive to invest in his home town, Tiruppattur. He had a discussion with his friends about the investment avenues. They suggested to start an industry, so that employment opportunities can be provided to the people of Tiruppattur to upgrade their lives. But, our founder replied that starting an educational institution will produce many businessmen like him, who will in turn start many educational institutions and produce many more doctors, engineers, collectors, government employees, ministers, teachers and as such lakhs of people will be employed with this noble cause, he started this esteemed institution in the year 1965.

His vision and dream had come true from the evidence of the high position that our alumni holds and the number of graduates who come year after year from our college.

In an attempt to bring his dream to reality, our alumni witnessed their contribution during the Silver Jubilee of our Alma Mater in 1990 – 1991. Our contribution resulted in new class rooms, compound wall and security room.

It is scheduled to have the Golden Jubilee celebration from 20th February, 2015 to 22nd February, 2015 of which 21st February, 2015 is being allocated exclusively for our Alumni. In commemoration of the occasion, in a special meeting of the Alumni executive council it has been unanimously decided to contribute to our institution, a new block with 6 class rooms in the name of Alumni. The approximate budget is above 55 lakhs. Every contributor who donates Rs.10000 and above will be cherished for years with their names engraved in the granite tablet in the building. It is our duty and responsibility to add dynamism to the lives of the youth of our area.

Kindly support and make a significant contribution and leave your footprint in time by assisting in the betterment of our institution. We will be pleased if you grace the occasion with your august presence.

ABOUT THE COLLEGE

Our esteemed founder, Thiru. N.T.S. Arumugam Pillai, has been bestowed with the highly esteemed award AMN (Ahli Mangu Negara - Member of the Order of the Defender of the Realm) by the Malaysian King for his philanthropic services from Tiruppattur. Tiruppattur and its peripheral places were economically downtrodden due to lack of education. Our founder envisioned that education alone can bring in confidence that breeds hope and hence social and economic growth for this part of Sivagangai district (then Ramnad district) established this temple of learning in 1965. He established the college as a first-grade college at its inception itself from his own hard-earned money without any assistance from any others. Following the footsteps of our founder and foundress, their sons Thiru N. AR. Nagarajan and Thiru N. AR. Thangavelu and now, Thiru. N. Vasantharajan, the President, Thirumathi N. Sagunthazhai Ammal and Thiru N. Rameswaran our vice-presidents and N. Arumugarajan, the secretary through their dynamic administration makes the college one among the best colleges in this part of Tamil Nadu. Our college committee president has brought immense pride to our institution by receiving the esteemed award **DATO** from the Malaysian government. Adding another jewel to our crown, our beloved vice-president, Mr. N. Rameswaran, has been honored with the International Achiever's Award by the International Achievers' Conference in New Delhi, India.

The college consists of ten under graduate aided programs, five undergraduate self-finance programs, one post graduate aided program, three post graduate self-finance program and three research departments.

ABOUT THE DEPARTMENT OF CHEMISTRY

The department of chemistry was established in the academic year 1966-67 and offers B.Sc. Chemistry course. The faculty members of the department have contributed significantly to the field, published over fifty research papers in both national and international journals, as well as presented their work at various conferences. Every year, the department is organizing invited talks featuring renowned scientists and experts in the field of chemistry especially our alumni for the benefit of our students. The department has numerous collections of advanced chemistry books, research articles, facility of digitally accessible academic resources, and with an UG level well-equipped laboratory with advanced instruments.

The faculty members of the department are very dedicated in providing competent education to students and contributing to the development of chemical science with UGC funded project and also by acting as research supervisors for guiding Ph. D. scholars. The department of chemistry has a remarkable track record of producing university rank holders and numerous students achieving top positions. Furthermore, a significant number of alumni from this department have successfully completed Ph.D. in various renowned institutions and working in various part of the world as faculty, scientists, post-doctoral research fellows and researchers industrialist, entrepreneur etc.

ABOUT THE LECTURE SERIES

For commemorating the role of the college in uplifting the life of mostly first-generation higher education students and for remembering the services rendered by Prof. A. Susaimanickam in the field of chemical science, the ALUMNI of the Department of Chemistry and the Department jointly organize a Invited lecture series on "Recent Trends in Chemistry and Materials -2023" RTMC -2023 programmed on July 14, 2023. The Management, ALUMNI and the Department along with its students are very much pleased in organizing the Program during the Educational Meet of G20 countries in India. This event holds special significance as it coincides with the retirement of Prof. A. Susaimanickam who contribute significantly to the academic community over the past three decades. Prof. A. Susaimanickam has significantly contributed to research and collaborated with Alagappa University, CSIR-CECRI-Karaikudi and published many research articles in the Peer Reviewed Journals in the field of catalysis, materials, and electrochemistry.

This lecture Series is to promote and facilitate collaborative interdisciplinary research in adopting cutting-edge methodologies and techniques within the field of chemistry. The goal of the seminar is to motivate and attract undergraduate students to nurture research interest, by providing an exposure and discussion on the recent developments in innovative scientific theories, frameworks, methodologies, tools and applications. Moreover, the conference serves as a platform for esteemed alumni researchers to present and discuss the latest innovations, emerging trends, concerns, practical challenges, and solutions in the realm of chemical science. The technical program will primarily consist of invited talks delivered by our alumni.
